

DEPARTMENT OF BOTANY

FOOD FEST 2022-BOTANIKO DELICOSA

Department of Botany and IQAC combinedly organized Food Fest cum Food Exhibition under the title “*Botaniko Delicosa*” on November 1st 2022 at old library ground from 10 am to 2pm. The main aim of the food fest was to create awareness to students and teachers regarding the importance of naturally available food and also to aware them about the harmful effects of junk foods. Students Exhibited various food items in an attractive way. Prepared a Map of Kerala by using different cereals and pulses. Each item exhibited along with a brief notes which displayed the major ingredients and its nutritional benefits. The fest also focused to promote eating of green salads as a measure to improve health. The programme was led by III & II year BSc Botany students with warm cooperation from first year and final year students. All of them were given proper guidance from teachers of Botany department. Second year students came with prepared organic food from their houses and exhibit the same. The various food includes variety of fruit salads, dosas, Puttu, Adas, boiled tubers like tapioca, yams, various green vegetable thorans. In the center of the exhibition hall the students arranged a microgreen table containing a variety of sprouted seeds like peas, raggi, amaranathus, grams etc. Our beloved Principal Dr. Nesy E A, inaugurated the food fest by intaking a fruit salad prepared by students. The exhibition also sold a variety of green juices like raw mango juice, emblica juice, Jambose juice as new generation health drinks. For large scale sale, 7 Different stalls created for cool drinks, snacks, fried items ,salads, Pani puri, Pickeled items etc. Tapioca was boiled and supplied along with green chilly-onion chutney and Fish curry. The lab assistants Mr. Umesh and Mrs. Mini K R assisted the students for this. Charts were displayed throughout the exhibition hall for enlighten the students regarding the significance of nature food. Most of the Teachers, students and non teaching staff were visited the fest and remarked as a finest activity from the Botany department. The food fest was over by 2.00pm on the same day.
