

Report on the Hands-on training on Assembling of LED Lamps

Organised by the Department of Physics, Sree Sankara Vidyapeetom College, Perumbavoor and Department of Physics, KKTU Govt. College, Pullut on 14.12.2022

Department of Physics, KKTU Govt. College, Pullut and Department of Physics, Sree Sankara Vidyapeetom College, Perumbavur affiliated to Mahatma Gandhi University, jointly organised a Hands-on training on Assembling of LED Lamps at the College auditorium, Sree Sankara Vidyapeetom College, Perumbavur on 14.12.2022 as part of the extension activity of the departments. Two students Ajmalsha C A and Amjith M G of second year BSc. Applied Physics, KKTU Govt. College were the student trainers.

A training on low cost, energy efficient LED lamps can help to reduce the energy crisis of the future. Students also got an opportunity to share their expertise with the students of other colleges.
