K.K.T.M. Govt. College

Research Policy

KKTM Government College Pullut is an affiliated college within the academic jurisdiction of the University of Calicut and administrative jurisdiction of the Government of Kerala and hence functions within the purview of the policies and regulations formulated by these bodies from time to time. However, a research policy has been drawn up by the research committee constituted at the college level to ensure a healthy environment of academic interaction and research.

Purpose

The purpose of the research policy is to create an atmosphere conducive to research among faculty and inculcate a research aptitude among the students. The policy shall serve as an overall framework within which the research activities may be carried out in the college. It aims to identify thrust areas of research having social relevance thereby supplementing the vision and mission of the college. The policy aims to establish standards and norms relating to the ethical conduct of research in the institution.

Research Policy

All research work carried out at KKTM government college shall be in compliance with the rules of the UGC and the University of Calicut.

A Research committee is to be constituted with the Principal of the college as Chairperson and IQAC coordinator, the heads of the research departments and other members nominated by the Principal from time to time as members.

The research committee of the college shall be in charge of assessing and forwarding applications to National funding agencies like SERB, DBT, DST, ICSSR UGC as well as to international agencies.

The peer - reviewed bilingual journal Malayala Pacha of the research department of Malayalam is to be continued as an annual publication with different issues having an Issue editor selected from the faculty members of the department of Malayalam along with the Chief editor, the Managing editor being the Head of the

department and constituting all the other faculty members as the editorial board. The cost of printing and publishing is to be met from the plan fund allotted from DCE. Steps are also to be taken to digitally archive the issues of Research journals of the college and also enrich the existing archive with the resources obtained from Kodungallur Kovilakam and other such centres.

Seminars on emerging research areas, research methodology and intellectual property rights are to be regularly organized at the college to sustain an intellectually vibrant academic atmosphere.

The research committee shall endeavour to create a research culture through various research initiatives and programmes with an emphasis on socially and regionally relevant topics.

The emerging areas of research shall be identified and the faculty members encouraged to undertake research in these areas.

The faculty members shall also be provided all kinds of support to get research projects from National funding agencies like SERB, DBT, DST, ICSSR, UGC and other such institutions.

The faculty members, scholars and students of KKTM Pullut shall be provided with suitable platforms to present and publish their research findings and encourage them to bring to the notice of society issues of contemporary importance and workshops should be organized to develop appropriate research skills among them.

Steps are to be taken to enhance data resources suitable for undertaking quality research projects and enquiry and establish suitable infrastructure in the college that will help to undertake these projects.

Appropriate measures are to be taken to ensure an ethical conduct of research and undertake all other such activities which will inculcate a research culture in the college.
