ED CLUB

REPORT 2017-18

The ED Club was not active during 2017-18. At the same time an amount of Rs. 10,000/- had been released for ED Club activities during March 2018. Therefore the amount has been spent during 2018-19 expecting sanction from the authorities.

The formal inauguration of the Club was done with a motivational talk by Sri. Ullas M.A., Coordinator of the club on 1-8-2018. ED club members got a chance to participate in flood relief activities by engaging in sorting of materials in the collectorate. 28 members of the club participated in this on 31-8-2018.

Four members from our club participated in the two day seminar on 'Artificial intelligence and entrepreneurship' conducted by DIC, Thrissur, on 4-12-2018.

A class was taken by Dr.Soni T.L., National Award Winner for NSS, for the members on 16-1-2019 in the subject 'Entrepreneurship Skills.' The members also had an opportunity to participate in the entrepreneurship skills development programme conducted by the Botany Department. Ms Sachana, Research Scholar from KAU was leading the talk.

In order to participate in the ED programmes of the Kerala Veterinary and Animal Science University, Mannuthy, the club memebrs visited the Meat Technology Unit, Dairy Plant, Poultry and Duck Farm and Agricultural Nursery of KAU.

Pullut,
7-2-2019

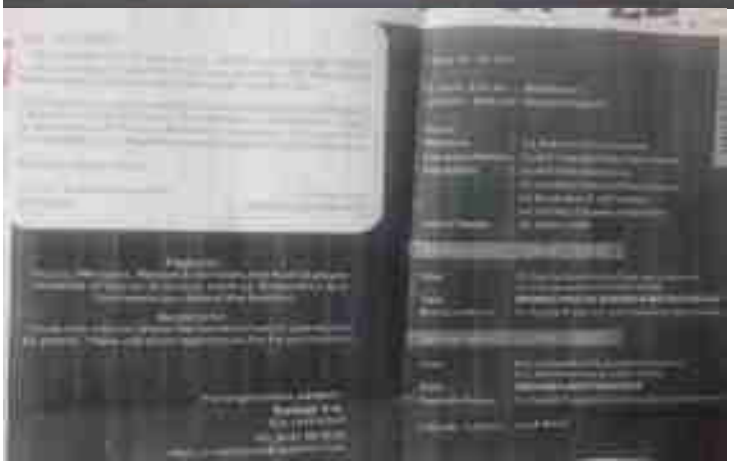
PRINCIPAL



one day national seminar on Research Methodology and Data Analysis sponsored by the Directorate of Collegiate Education was held by the Department of Economics on 6th October 2017 at the seminar hall of K.K.T.M college, Kodungallur, Thrissur. The meeting was inaugurated by Dr.M.K.Muraleedharan, Principal of the college. The first session was about 'introduction to Research Methodology'. The paper was presented by Sri. Rajesh P and chaired

by Smt. Sajitha Beevi Karayail. The technical session 2 was handled by Sri. Rajesh and chaired by Smt. Sangeetha PG. The third session was started at 1.30 PM with a topic on the 'Introduction to Data Analysis' which was presented by Sri. Rajesh P and chaired by Dr. Jason Joseph V. The final technical session was presented by Sri. Rajesh on 'Inferential Statisitcs' chaired by Sri. Hyderali.K. The seminar instilled interest among students on data analysis and altogether it was a success.

Session VII 1.30pm -3.00pm HINDI

Welcome : **Dr. Deepa B.S,** (Asst. Professor, Dept of Malayalam)

Chair : **Dr. Sajila .N.R** (Associate Professor, SSUS, Thrissur Campus)

Contributory Papers

Dr.Sailaja.K,
(Asst. Prof., Dept. of Hindi, Maharaja's College, EKM)

Dr. Reshmikrishnan,
(Asst. Prof., Dept. of Hindi , Govt. College , Ambalappuzha)

Dr.Leena Samuel,
(Asst. Prof., Dept.of Hindi, P.M. Govt.College, Chalakkudy)

Dr. Priya
(Asst. Prof., Dept. of Hindi, K.G.College, Pampady, Kottayam)

Sri. Kannan K.U ,
(Research Scholar, SSUS, Kalady)

Sri. Anas Karim
(Research Scholar, SSUS, Kalady)

HOD, Dept. of Sanskrit
Coordinator

Dr. Sindhu S.L.
HOD, Dept. of Hindi
Coordinator

PROGRAMME (19.10.2017, THURSDAY)

Registration 9am- 9.30am

Session I 9.30 am- 11 am

Invocation

Welcome : **Dr.Sindhu.S.L** (HOD, Dept.of Hindi)

Presidential Address : **Dr. M.K. Muraleedharan Nair** (Principal, K.K.T.M. Govt.College, Pullut)

Inauguration : **Dr. Madhu Vasudevan** (Lyricist, Asst.Professor, Dept. of Hindi, Govt. Arts &Science College, Tanur.)

Key Note Address : **Dr. Vijayakumar C.G** (Professor & Dean, Faculty of Vedavidya, KKSU, Ramtek, Nagpur)

Felicitations : **Dr. Nessy**, (Vice Principal, K.K.T.M.Govt.College)
Dr. Ushakumari.G. (HOD, Dept. of Malayalam)
Dr.Shafeeq. V.A (HOD, Dept. of Physical Education)
Sri.Ravikumar (HOD, Dept. of Statistics)
Sri. Sanoop, (Chairman, Students Union)

Vote of Thanks : **Smt. Mary Tessy. T.G** (HOD, Dept of Sanskrit)

Session II 11am -12.30pm

Hindi Poetry in New Century – Different Perspectives

Welcome : **Dr. Sindhu.S.L**

Chair : **Dr. A.S . Sumesh** (Asst. Professor, Dept. of Hindi, Asmabi College, Kodungallur)

Key Paper

Badalthe Manaveeya Sanskriti ka Pariprekshya- Nayi Sadi ki Kavita

Dr.K. Sreelatha

(Professor & Head, SSUS, Panmana Campus, Kollam)

Vote of Thanks : **Smt. Mary Tessy.T.G**

Lunch Break : 12.30pm -1.30pm

Session III 1.30 pm -3pm SANSKRIT

Welcome : **Dr.Ragesh. S.R** (Dept. of Sanskrit)

Chair : **Dr. Vijayakumar C.G** (Professor & Dean, KKSU, Nagpur)

Key Papers

1. Ecological Concepts in Sanskrit Literature

Dr. Remadevi.V :

(Asst. Prof., Dept. of Sanskrit, Maharaja's College, Ernakulam)

2. Aesthetic Beauty of Nature in the Meghasandesa :

Dr.Vinitha. E,

(Asst. Prof., Dept.of Sanskrit, Christ College, Irinjalakkuda)

Contributory Papers

Vote of Thanks : **Smt. Cecil Anna John** (Asst. Prof. English)

SESSION IV 3pm - 4.30pm HINDI

Welcome : **Smt.Hema** (Asst. Prof. English)

Chair : **Dr. Indu Velsar** (Asst. Prof., Dept. of Hindi, Maharaja's College)

Key Paper

Samakaaleen Kavita Paat Vimarsh

Dr. A.S Sumesh

(Asst.Prof., Dept of Hindi, Asmabi College ,Kodungallur)

Contributory Papers

Dr. P.K.Prathibha

(Asst. Professor, Dept.of Hindi, SNGS College, Pattambi)

Dr. C. Balasubrahmaniyan

(Asst.Prof., Dept. of Hindi, Govt. Victoria College, Plkd.)

Dr. Anitha.P.L

(Asst. Prof. , Dept. of Hindi, Maharaja's College ,Ernakulam)

One Day Workshop on Local History in Collaboration with Kodungallur Muncipality

Post Graduate Department of History facilitated One Day Workshop on Local History Writing being organized as part of the project of Kodungallur Municipality on Exploring Local History Through Folk Memories on 6th of December 2017. Being held in the Seminar hall of the K.K.T.M. Government College, the event bring together many experts on the subject, teachers, students, history enthusiasts and peoples' representatives on the board. Stimulating sessions have been held on the themes 'Why Local History', 'Methodology of Local History' and 'Writing Local History' etc.

KKTM GOVT. COLLEGE, PULLUT

POST GRADUATE DEPARTMENT OF HISTORY

TWO DAY WORKSHOP ON METHODOLOGY OF LOCAL HISTORY

On

31/10/2017 and 01/11/2017

at Seminar Hall

Sponsored by
Directorate of Collegiate Education,
Government of Kerala

Dear Sir/Madam,

The PG Department of History, KKTM Govt. College, Pullut is organising a Two day workshop on the METHODOLOGY OF LOCAL HISTORY on 31st October and 1st November of 2017. The workshop is aimed at teachers, research scholars and students of history with a focus on the method of local history writing. The pertinent issues to be discussed in the workshop are the following:

If the methodology of local history is different from the standard type, how can we explain the contours of this innovative methodology?
What do we mean by a locality?
How did it come into existence?
What are the sources available for the writing of local history?
Do these sources differ from those for the history of larger areas?

We hope the workshop and subsequent discussions will satisfy the objectives. The workshop is sponsored by the Directorate of Collegiate Education, Government of Kerala. We cordially invite your esteemed presence and participation.

A M Shinas
HOD, Department of History

Dr. M K Muraleedharan Nair

PROGRAMME

3/7/2017 / Tuesday

9.00 am - 9.30 am : **Registration**
9.30 am - 10.00 am : **Inaugural Session**

Welcome : Sri. A.M. Shinas (HOD, Department of History)
Presidential Address : Dr. M.K. Muraleedharan Nair (Principal)
Inauguration& Keynote address : T.R. Venugopal (Former Principal,SNGS College, Pattambi & Historian)

Vote of Thanks : Dr. Sreevidhya Vattarambath
(Assistant Professor, Dept. of History, & Coordinator)

10.00 am - 11.30 am
(Technical Session 1)

Welcome : Smt. Remani K.K (Assistant Professor, Dept. of History)
Moderator : Smt. Lisha K.K (Assistant Professor, Dept. of History, Christ College, Irinjalakkuda)
Resource Person : T.R. Venugopal (Former Principal, SNGS College Pattambi & Historian)
Topic : **"Reminiscing the Writing of the History of Thrissur"**
Vote of Thanks : Sanoop P.S

11.30am – 01.00 pm
(Technical Session 2)
Welcome : Animol Jacob (Assistant Professor, Dept. of History)
Moderator : Dr. Sudheerkumar P
(Assistant Professor, Dept. of History, SNGS College, Pattambi)
Resource Person : Sri. Sri Abdulla Anjilath (Amateur Historian)
Topic : **"Madai Mosque Inscription-Myth and Reality"**
Vote of Thanks : Sreerag T.S.

Lunch Break 01.00pm -1.30pm

01.40pm – 04.30 pm
(Technical Session 3 & 4)

Welcome : Smt. Shany N.S. (Assistant Professor, Dept. of History)
Moderator : Dr. Vineetha. (Assistant Professor, Dept. of History, Carmel College, Mala)
Invited Talk : Dr. Dinesan Vadakkiniyil
(Assistant Professor, Dept. of History, Govt. Brennan College, Thalassery)
Topic : **Local History : Methodological issues**
Vote of Thanks : Sri. Shijith

PROGRAMME

01-11-2017 Wednessday

9:30 am – 11.00 am

(Technical Session 5)

Welcome : Sri. Harikrishnan .G (Assistant Professor, Dept. of History)
Moderator : Smt. Deepa .K (Assistant Professor, Dept. of History, Govt. College, Chalakudy)
Resource Person : Dr. V.P. Devadas (Associate Professor and Former HOD, [illegible])
Topic : **"Megalithic Phase of Thrissur District:Explored and Excavated sites"**
Vote of Thanks : Sooraj .P

11.00am - 12.30 pm

(Technical Session 6)

Welcome : Smt. Saritha V.C. (Assistant Professor, Dept. of History)
Moderator : Smt. Rincy .T.P (Assistant Professor, Dept. of History, Govt. College, Thrissur)
Resource Person : Dr. Sreevidhya V.
(Assistant Professor, Dept. of History, Department of History, Christ College, Irinjalakuda)
Topic : **"Local History and Gender"**
Vote of Thanks : Kum. Athira Divakaran

PG DEPARTMENT OF HISTORY-TWODAY NATIONAL SEMINAR-2017

Inaugration-Sri.P.Sreeramakrishnan(Hon'ble Speaker ,Kerala Legislative Assembly)

Key Note Address-Dr.M G S Narayanan.

Department of History and political science organized a National Seminar on '**Contemporary Kerala History in Retrospect**' on 25th and 26thAugust, 2017. It was inaugurated By PS SreeRama Krishnan , Speaker,Kerala Legislative Assembly ,Keynote address delivered by Dr. MG S Narayanan .emient academicans like Dr.KT Thomas (Rtd) Christ College,Irinjalkuda.Dr.Vargese V.J ,faculty of History University of Hydrabad,Adv.Jayasankar,Political Analyst,Media Critic,Dr.Geerishkumar G ,Assistant Professor of Law,University of Delhi,Dr,K.N Ganesh,Professor,University of Calicut etc.led the tecanical sessions.

The deliberations brought into focus various approaches, perspectives and themes relating to Kerala History. Methodological debates relating to various issues furnished considerable conceptual clarity.

Report of the one day Seminar on Intellectual Property Rights and Creative Common License on 7th November 2017

The one day Seminar on 'Intellectual Property Rights and Creative Common License' organized by the Post Graduate Department of Mathematics, K.K.T.M. Govt. College, Pullut and IQAC, started with registration at 9AM on 7.11.2017.

The Inaugural Session of the Seminar started at 10.00AM with prayer. Dr. Resmi.T. (Assistant Professor in Mathematics) delivered the welcome speech followed by the presidential address by Smt. Sreerekha P (Head, Department of Mathematics). Dr.Anitha.I (Principal, K.K.T.M. Govt. College) inaugurated the program by lighting the lamp. Dr. Shafeeq.V.A.(Assistant Professor, Department of Physical Education) and Sri Ajaydas V. S.(Mathematics Association Secretory)have given felicitations.

The session 2 of the programme was the invited talk by Mr. Vineeshkumar K A (Assistant Professor of Commerce, Government College, Munnar) on 'Intellectual Property Rights'. His talk described various aspects of IPR..

The session 3 of the programme was the invited talk by Dr. Abdul Rasheed VT (Assistant Professor of Zoology, SNGS College, Pattambi) on 'Creative common license'. His talk described different types of creative common licenses.

The session 4 of the programme was the invited talk by Mr. Kaladharan P V(Assistant Professor of Statistics) on 'Patents'. He describes the importance of taking patents for the new inventions.

The one day Seminar on Intellectual Property Rights and Creative Common License was concluded by the vote of Thanks of Dr. Jaseela Fathima (IQAC Coordinator) at 3PM. There were 140 participants in which 48 were teachers.

Report of the National Interdisciplinary Workshop/seminar on Thin Film technology (NWTFT 2017)

Jointly organized by

The Department of Physics & Chemistry, KKTM Govt. College, Pullut, Kodungallur

Sponsored by

The directorate of collegiate education Thiruvananthapuram on 14-11-17, 15-11-17 &16-11-17

Introduction

KKTM Govt. College was founded in the name of the celebrated poet Kunjukkuttan Thampuran(Kerala Vyasan) in the year 1965. Our college is located at Pullut, 3km from Kodungallur which is renowned for historical importance, cultural heritage and religious harmony.

Objective

To promote excellence in higher education by equipping oneself to the rapidly changing scientific and technical scenario seminars and workshops play a pivotal role. We have tried our best to host academic sessions of eminent personalities from various renowned institutions in and out of Kerala.

Programme

The national interdisciplinary workshop on Thin film technology was conducted on 14th, 15th& 16th November 2017. Dr.Pradeepan Periyat, Assistant Professor, Department of Chemistry, University of Calicut inaugurated the workshop. The inaugural session was presided over by the College Principal, Dr.Muraleedharan Nair. Dr.Seena Thomachan, Coordinator, Department of Chemistry, welcomed the gathering. IQAC coordinator of KKTM College Dr.Jaseela, College Union student representative Ms. Amrutha Sivan offered felicitations. The coordinator of the workshop Sri.Arun V presented the vote of thanks. More than 120 persons participated in the inaugural session.

The first technical session from 10.00am to 1 pm of the workshop followed the inaugural session. Dr. Pradeepan Periyat ,Assistant Professor, Department of Chemistry,University of Calicut was the resource person. He talked about Solar energy applications of nanomaterials. With the help of a power point presentation he explained the different types of Nanomaterials and their applications. His presentation was a visual and auditory treat for the participants.

The next session of the day began at 1.30pm. Dr.T.N.Narayanan,Reader, Department of Physics, TIFR,Hyderabad gave a very informative presentation on the topic Atomic layers-Engineering onThin Films. His talk clearly reflected his vast experience in the field. The talk was extremely useful to the participants.In the next session from 1.30pm to 4.30 pm by Dr. T.N.Narayanan,Reader, Department of Physics, TIFR,Hyderabad ,he talked about the applications of thin film technology. He narrated very well how to get out of single walled research into vast interdisciplinary one which is the need of the day.

The first session of the second day from 9.30 am to 12.30 pm was on Plastic processing and Testing techniques. The classes were held at CIPET(Central Institute for Polymer Engineering and Technology).The speaker of the session was Dr. T O Varghese,Director,CIPET.He shared his knowledge of the field with the participants in an interactive manner and with the help of visual aids.

The afternoon sessions from 1.00 pm to 4.00 pm was held at CIPET.There was demonstration classes on polymer processing and testing.The participants got an opportunity to work with the instruments used in polymer processing and techniques.

The 3rd day of the workshop began with the session from 9.30 am to 12.30 pm by Dr. Asha A S on "An introduction to thin films".The session was held at chemistry lab of our college. Once again the participants got a hands on session on thin film preparation.The second session was from 1.30 pm to 3pm.This was handled by Dr.Jayalatha Gopalakrishnan,Asst.Professor,CUSAT(Cochin University) and the topic was 'Polymeric films".She gave an introduction to polymeric films and their applications.The last session of the day was from 3pm-4.30pm.The session was on Plastic electronics by Dr.P Manoj ,Asst.Professor,St.Michaels College,Cherthala.

A simple valedictory function was held soon after this technical session. Smt. Lovely George HOD Physics presided over the function. Certificates were distributed to the participants in this session. The participants shared their experience of the workshop and gave very good feedback about the workshop.Sri.Arun V, coordinator of the seminar proposed the vote of thanks.

Registration

Number of teachers registered	35
Number of students registered	5
Total	40

The financial support for the conduct of the workshop was provided by the Directorate of collegiate education, Govt. of Kerala. We take this opportunity to gratefully acknowledge this. Thanks are also due to the Principal, KKTM Govt. College, Office staff, Teachers and Non teachers of the college for their cooperation and support. The cooperation of resource persons, outside participants and students is also gratefully appreciated.

NATIONAL WORKSHOP/ SEMINAR ON

'THIN FILM TECHNOLOGY'

'NWTFT – 2017'

14 th -16 th November - 2017

organized by

Departments of Physics & Chemistry

KKTM GOVT. College, Pullut, Kodungallur
(An accredited by NAAC with 'B' grade)

Sponsored by

DIRECTORATE OF COLLEGIATE EDUCATION
Government of Kerala

Dear Sir & Madam,

Greetings from the team Physics and Chemistry

KKTM Govt. College was founded in the name of celebrated poet Kunchakuttan Thampuran (Kerala Vyasan)in the year 1965. Our college is located at Pullut,3 km from Kodungallur which is renowned for historical importance,cultural heritage and religious harmony. As the horizon of science is expanding,several disciplines of science are now cooperating towards a shared reality.

Several scholars including those of national repute will be handling the sessions.We have also included a visit to CIPET(Central Institute for Polymer engineering and technology) as part of the workshop.

We cordially invite faculty members, research scholars and PG students from your institution to participate in this national workshop.

With warm regards

Dr. M.K. Muraleedharan Nair (Principal)

Smt. Lovely George (HOD Physics)

Smt. Girija PV (HOD Chemistry)

Dr. Seeta Thomachan (Assistant Professor, Chemistry)
Sri. Arun V (Assistant Professor, Physics)
(Co ordinators)

PROGRAMME SCHEDULE

14/11/17 Tuesday

9AM Registration

9.30AM **Inaugural Session**
Dr.Pradeepan Periyat
(Asst. Professor of Chemistry, University of Calicut)

10AM – 1PM Technical session
"Solar Energy Applications of Nanomaterials"
Dr. Pradeepan Periyat
(Asst. Professor of Chemistry, University of Calicut)

1.30PM – 4.30PM Technical session
"Atomic layers: Advances in the Science & Engineering of Thin Films"
Dr. T.N.Narayanan (Reader SG of Physics, TIFR, Hyderabad)

15/11/2017 Wednesday

9.30AM – 12.30 PM Technical session
Plastic processing technology & Testing techniques
Held at CIPET, Eloor

1PM – 4PM Technical session
Demonstration class on plastic processing (CIPET)

16/11/2017 Thursday

9.30AM – 11 AM Technical session
"An Introduction to Thin Films"
Dr.Asha A.S (Asst. Professor of Physics, CUSAT)

11AM – 12.30 PM Technical session
"Demonstration on Thin film preperation"
Dr. Asha A.S (Asst. Professor of Physics, CUSAT)

1.30 PM – 3 PM Technical session
"Polymeric Films"
Dr. Jayalatha Gopalakrishnan
(Asst. Professor, Department of Polymer Science & Rubber Technology, CUSAT)

3 PM – 4.30 PM Technical session
"Plastic Electronics"
Dr. P.Manoj
(Head of Dept. Of Chemistry, St. Michael's College, Cherthala)

4.30 PM Valedictory session/Feedback

KKTM Govt College,Pullut
Department of Chemistry

2018-2019

Workshop cum Training on Soap Making

K K T M GOVT COLLEGE PULLUT

P G DEPARTMENT OF HISTORY

VENUE: SEMINAR HALL DATE: 5.10.18

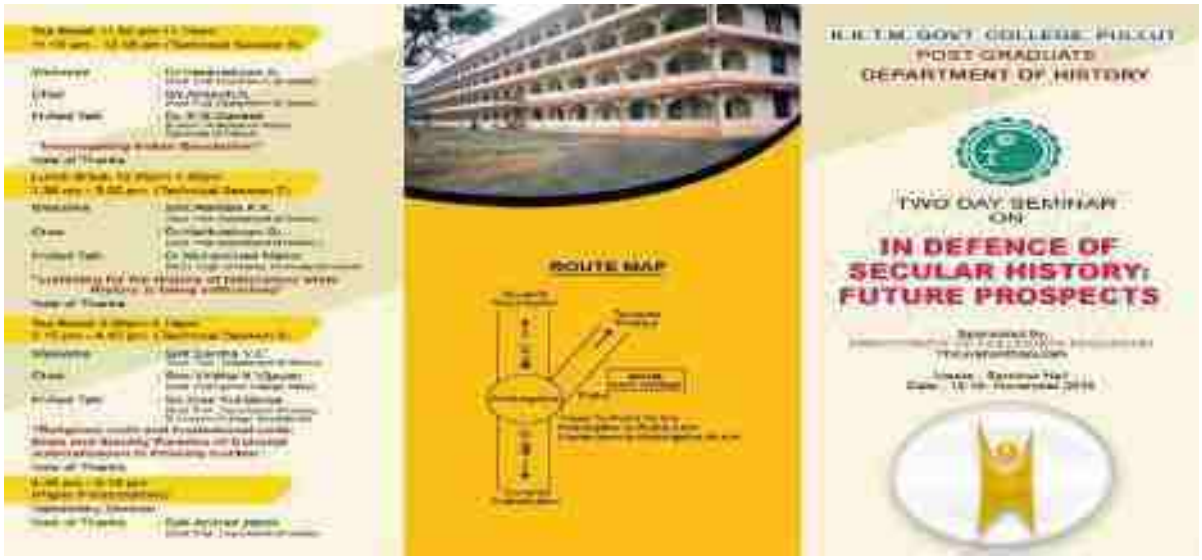
Welcome : SHINASA.M Asst.Professor HOD, Dept.of History

Invited talk : SUDEER KUMAR. P Asst.Professor, Govt. College, Pattambi.

Topic : LOCAL HISTORY: NEW DIMENSION

Thanks : ATHIRA DIVAKARAN, 2nd P. G

NATIONAL SEMINAR-2018.



സെമിനാർ നടത്തി

പുല്ലൂറ്റ് • കെകെടിഎം ഗവ. കോളജ് ചരിത്രവിഭാഗം മതേതര ചരിത്രത്തിലെ പ്രതിരോധം വിഷയത്തിൽ സെമിനാർ നടത്തി.

ഹമീദ് ചേന്ദമംഗലൂർ ഉദ്ഘാടനം ചെയ്തു.

കേശവൻ വെളുത്താട്ട്, ഡോ .കെ.എൻ.ഗണേഷ്, ഡോ. മുഹമ്മദ് മാർട്ടിൻ,പി.എസ്. ജിനേഷ് എന്നിവർ പ്രസംഗിച്ചു.

Department of History organized a two day seminar on **in defence on secular history: future prospects** 15th -16th November2018. Inauguration and keynote address delivered by professor Hameed Chanamangalore. Emient historian professor Kesavan Velluthat delivered talk on the topic need for secular history personalities like Dr. Abdul Razzak, Dr.Sandhya S Nair ,Dr.Ginesh etc; led the technical sessions.

The programme could enrich awareness about secular history in the academic community and underline its significance. It outlined methodology and perspectives of writing history scientifically and secularly.

Report of seminar on

Research Methodology

The Post Graduate department of Mathematics, KKTM GOVT College Pullut organized one day research methodology seminar on *SCIENTIFIC WRITING USING LATEX* on 29-10-2018 for PG students. The resource person for this seminar was Jaison Jacob, Assistant Professor, St. Aloysius College Elthuruth. There was an inaugural ceremony in the seminar hall. Smt. Sreerekha P, HOD, formally welcomed the gathering. Dr. Anitha, principal gave the presidential address. She motivated everyone to actively participate in the seminar. The seminar was inaugurated by Prof. Jaison Jacob. It was followed by a felicitation delivered by Dr. Nesy, Associate Professor, department of Botany. She wished success to the seminar. After the inaugural session, Prof. Jaison was introduced by Dr. Sabna K.S.,Assistant Professor, Department of Mathematics for the seminar talk. 36 M.Sc Mathematics students and teachers from different departments attended the seminar. The seminar was very useful to PG students since Latex can be used in their final year project. There was an interactive session after the class. Vote of thanks to Prof. Jaison was offered by Aswathy C. B., final year M. Sc student.

Why is the Rising Demand for Energy?

The world economy is growing and its growth enhances the thirst for energy. The question arises, in this scenario, developing smart materials could be new horizons for future energy. The main focus of this present seminar is to make a platform for discussing some of the key materials for energy production and storage to meet the future energy needs. Also this seminar aims to improve the knowledge about advanced energy materials among college teachers, research scholars and PG students.

Dear Madam/Sir,

The Department of Polymer Chemistry, KKTM Govt. College, Thrissur is organizing one day national seminar on **"Advanced materials for Energy Applications"** on 12th December, 2018. The seminar is sponsored by the Directorate of Collegiate Education, Govt. of Kerala, Thiruvananthapuram. On behalf of organizing committee I cordially invite your participation and support for making it a grand and successful one.

Dr Anitha
Principal
KKTM Govt College

Dr Seena Thomachan
HOD, Polymer Chemistry
KKTM Govt College

Dr S Jaya K B
Convenor
KKTM Govt College

PROGRAMME SCHEDULE

12th December, 2018

9 am – 9.30 am	Registration
9.30 am – 11 am	**Inaugural Session**
	Tea Break
11 am – 12.30 pm	Invited talk 1: **"Organic electronics: Future Low Cost Renewable Energy Sources."** **Dr. P Manoj** Head of Dept. of Chemistry, St. Michaels College, Cherthala
	Lunch Break
1.30 pm – 3 pm	Invited talk 2: **" Electric Vehicles: The Future and Scope."** **Dr. Dijo Damien** Assistant Professor Dept. of Chemistry, Christ College, Thrissur
3 pm – 4.30 pm	Invited talk 3: **" Exploratory Solidstate Chemistry to Discover Potential Thermoelectrics for Energy Conversion."** **Dr. Raj Sankar** Assistant Professor Dept. of Chemistry, Keralavarma College, Thrissur
4.30 pm – 5 pm	**Concluding Session/ Tea**

About the College

KKTM Govt College-Kodungallur Kunhikuttan Thampuran Memorial Government College-situated at Pullut 3 km from Kodungallur is named after the great scholar-poet Kunhikuttan Thampuran who came to be called 'The Kerala Vyasa' for his brilliant rendering of the great epic 'The Maha Bharatha' into the vernacular. KKTM college was established on 1st July, 1965 to commemorate the services rendered by the late poet Kunhikuttan Thampuran to Malayalam literature.

Organizing Committee

Chairperson	Dr.Anitha I Principal, KKTM Govt College, Thrissur
HOD of Chemistry	Dr. Seena Thomachan.
Coordinator	Dr. Subila K.B.

National Seminar
On
Advanced Materials for Energy Applications

Department of Polymer Chemistry
K.K.T.M Government College, Kodungallur
Thrissur

On

12th December, 2018

Venue : Seminar Hall

Introduction:

K.K.T.M. (Kodungallur Kunhikuttan Thampuran Memorial) Government College was founded in the name of the great scholar, a celebrated poet kunjukuttan thampuran who came to be called "The Kerala Vyasa" in the year 1965. The College situated at Pullut 3 km from Kodungallur which is renowned for historical importance, cultural heritage and religious harmony.

Objective:

Thinking is an intellectual process which outcomes in knowledge fulfilment. The main focus of organising a seminar was to make a a podium for discussing and thinking new methodologies for making new materials for future energy applications. Interactive sessions of such seminar play a pivotal role in promoting excellence in higher education and it further helps solving some of the scientific issues of the sustainable energy. The world's population is growing and this growth enhances the thirst for energy in all its forms. In this scenario, developing smart materials opened up new horizons for future energy. Thus, we have decided to choose the topic of present seminar as "Advanced materials for future energy applications" where we conducted three academic sessions discussing advanced materials for energy production and storage to meet the future energy needs. Also, this seminar aims to improve the knowledge about advanced materials among college teachers, research scholars and PG students. We had tried our best to bring eminent personalities, who holds high academic profile and well expertise on the topic "materials" from various renowned colleges inside Kerala and also from the national institute (CSIR-NIIST). The curriculum vitae of the speakers is attached separately.

Programme:

The national seminar entitled "advanced materials for energy applications" was conducted on 12th December 2018 at seminar hall, KKTM Govt. College, Pullut. Dr P. Manoj, Head of the department of Chemistry, St. Michael's college, Cherthala inaugurated the seminar by lightening the lamp followed by a talk. Dr.P Manoj also hold a position as visiting Fellow, Pohang University of Science and Technology (POSTECH), South Korea. The inaugural section was presided over by the college principal Dr.Anitha I. Dr.Seena Thomachan, Head of the department of Chemistry Welcomed the gathering. The coordinator of the workshop Dr.Subila K B presented vote of thanks. More than 120 participants were attended the inaugural function. After a tea session We moved on to the first section chaired by Dr. Seena, where Dr.

P Manoj talked on "Organic electronics: Future Low-cost renewable energy sources" for one and half hours. He started the presentation with an introduction on current energy resources and then talked about solar energy materials. At the end of his talk he showed some flexible organic materials which are emerging now as new electronic martials for designing flexible devices. He showed some videos of such working materials and it was really exciting for the students. One of our third year BSc student Ms Keerthana, presented a vote of thanks to Dr. P Manoj.

After the lunch break, we moved on to the second session chaired by Sri. Rijoy K J, where in Dr. Dijo Damion, Assistant Professor, Department of Chemistry, Christ college, Irinjalakkuda delivered 90 minutes talk entitled as "Electric Vehicles: the future and scope". His presentation was mainly focussing the energy storage devices. We all were very enthusiastic to listen to his talk on electric vehicles. He talked on lithium ion batteries and its advantages. He explained the topic in a simple and exciting manner which really helped our students to understand well. This section was entirely a new experience for all of us when compared to the morning section where we heard the solar energy materials which can harvest solar energy and produce electricity, but here we could see a bunch of materials used for storing electricity. The interesting fact is these two topics are the two face of a coin. He explained the chemistry behind the energy storage and also described what properties can be improved to get a better storage capacity. Energy storage is again a very important problem nowadays and a lot of research is happening all around the world to develop materials of high charge storage capacity. In this scenario this talk was very informative for the audience who dreamed of energy research. Mr. Jibiltta Babu, first year BSc student of our department presented vote of thanks to Dr. Dijo.

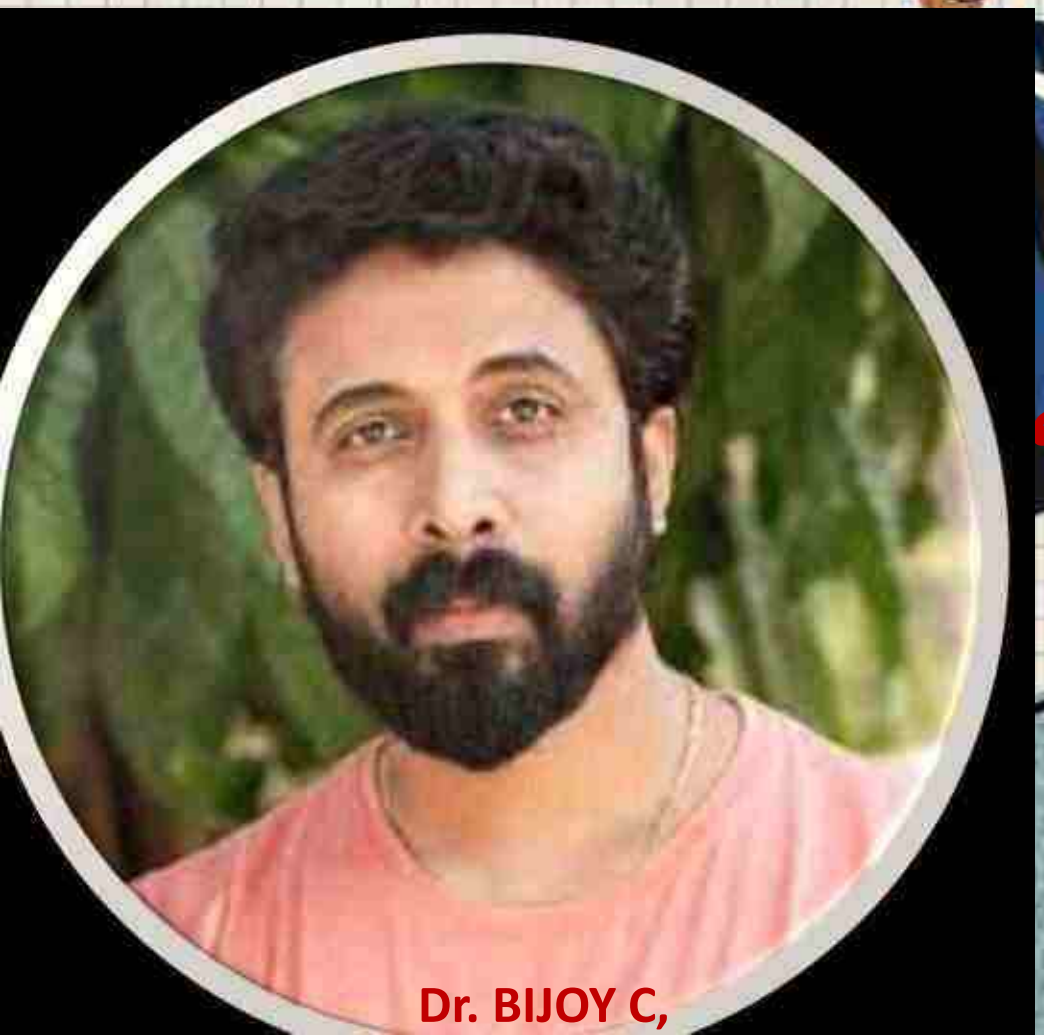
The last section of the seminar was chaired by Sri. Thilakan M K, the speaker of this session was Dr. Raj Sankar and the title of his talk was "Exploratory solid-state chemistry to discover potential thermoelectric for energy conversion". These 90 minutes talk was really a different treat for all of us from the previous sessions, he started the talk with the glimpse of solid-state chemistry and further moved to the fundamental properties of materials which can be tailored for various energy applications. He explained what are thermo electric materials and how can it be used for different applications. At the end of this session Dr. Subita K B presented vote of thanks to Dr. Raj Sankar and moved to concluding sessions the after a tea break. We had a fruitful day enriched with exciting knowledge about materials related to energy applications. All the speakers and their entire talk was very appropriate to the topic of seminar that we selected "advanced materials for energy applications". All sessions were very interactive and clear. In the concluding sessions, distributed

evaluation form was circulated to all participants to rate the seminar and contribute their proposals and suggestions for the improvement of such national seminars and the dully filled evaluation form were collected back. We distributed the certificate of participation/presentation to the registered participants and the resource persons. Based on the evaluations from the audience, the national seminar conducted by the department of chemistry, KKTM Govt. College, Pullut was found to be grand success in all sense. We are really interested in conducting such national seminar on relevant topics in coming years also and hope we will have all the supports from the respective authorities. Finally, we outspread our sincere thanks to the directorate of Collegiate Education, Thiruvananthapuram Government of Kerala for sponsoring the one-day national programme.

Dr. Subila K.B

(Coordinator)

Dept. Chemistry, KKTM,Govt. College, Pullut



Dr. BIJOY C,

‘Being Passionately Curious”

Awareness Programme on research methodology for Science UG Students

on

02.11.2018

"Being passionately curious what does it mean- some basic concepts of research in Science"

Date:2.11.2018
Time:9:30am to 12:30pm
Venue:Zoology laboratory
Theme : Introduction to Research Methodology

The Department of Zoology,KKTM Govt.College,Pullut,Thrissur organized a talk on "Being Passionately Curious"Awareness programme on Research Methodology for Science UG Students on November 2 , 2018, 9:30am to 12:30pm. The programme was inaugurated by Dr. Muralidharan K Nair , Principal,KKTM Govt. College ,Pullut. Mr.Shihabudeen A S ,HoD,Dept.of Zoology co-ordinated the programme. Ms.Soumya K C,Assistant Professor of the Department welcomed the gathering. Dr. Bijoy C, Assistant Professor, Christ College (Autonomous),Irinjalakuda,Thrissur, was the resource person. He delivered a talk on " Being passionately curious..what does it mean?".He opined that being curious is the key factor for true research.The actual research begins from the questions that arise from curious observation.He also talked about the various methodologies that has been adopted in true scientific research as well as the ethics that a true researcher should follow.

Mr Prasad N K ,Assistant professor of the Department, proposed the vote of thanks .

K.K.T.M GOVT. COLLEGE, PULLUT

ED CLUB REPORT 2019-20
[EDC/TSR/49/16]

ED Club activities of this year was started with the formal inauguration of the Club by Dr. Anitha I, respected principal of the college on 6-11-2019.

Dr.Nesy E.A., Vice Principal presided over the meeting. Sri. Naushad T.A., PTA Vice President felicitated on the occasion. Then there was a talk by Dr. Jayasree Paul, NSS Programme Officer of P.M. Govt. College, Chalakudy on the subject 'Entrepreneurship Development.' Sri. Ullas M.A., Coordinator of the ED Club expressed vote of thanks.

On 11-12-2019 a training programme was conducted for the members of ED Club. The progoramme was teaching the making of LED bulb chains in different lengths and different colours.

The programme was led by Sri. Narayanan Arimpully. He taught the students how to use soldering iron, how to find out the positive and negative ends of bulbs etc. and also to use capacitor and resistance in a chain. They produced chains and demonstrated. All the participants were benefited by this class.

The club

planned to conduct one more training programme and an industrial visit during March 2020. This may not be possible now as the college is closed because of Corona virus epidemic.

10-03-2020
Pullut.

Ullas M.A.,
Coordinator, ED Club.

DEPARTMENT OF CHEMISTRY
SOFT KILL REPORT- SANITIZER MAKING DURING COVID PANDEMIC-2019-20

Department of Chemistry and IQAC jointly organized a Hands-on-training programme to prepare hand-sanitizer in the awake of COVID-19 spread on 17/3/2020. The programme was led by Smt. Balkeese A. V. Assistant professor of the Department of Chemistry. Aim of the programme was to give awareness to the students and the community about the use of sanitizer during the pandemic era. Students of our department distributed sanitizer to nearby families. 20 students participated and distributed to 15 families (60 members) near our institution.

Sanitizer received by HOD, Department of Chemistry

Sanitizer received by Principal, Dr. Anitha I

Two Day National Seminar on

LITERATURE AND ECOLOGY:

ECOCRITICAL DISCOURSES ON ENGLISH AND SANSKRIT LITERATURES

ON 21,22 NOVEMBER 2019
VENUE: AUDIO VISUAL ROOM

SPONSORED BY
THE DIRECTORATE OF COLLEGIATE EDUCATION, THIRUVANANTHAPURAM.

[illegible] and Sanskrit, KKTM Govt. College, Pullut [illegible] day National Seminar on 'Literature and Ecology: [illegible] Discourses on English and Sanskrit Literatures' on 21 and 22 [illegible] 2019, sponsored by the Directorate of Collegiate Education. [illegible] from time immemorial [illegible] always been represented [illegible] linked to literature, nature has [illegible] in literature. But after the advent of [illegible] as a major literary theory, the depiction of nature in literature has gained resuscitated consideration. Ecocriticism, basically, is the study of the relationship between literature and the physical environment. [illegible] concerned with how literature represents the environment and how this might contribute to understanding the environmental crises of the contemporary world. The proposed Seminar 'Literature and Ecology: Ecocritical Discourses on English and Sanskrit Literatures' focuses on the representation of nature in English and Sanskrit literatures of all times. Along with the portrayal of nature in literature, the Seminar also focuses on the representation of ecological crises and its solutions. In the wake of recent climatic changes and natural calamities, it is highly pertinent to look at the depiction of current environmental crises and its solutions in literature.

We solicit your esteemed presence and active participation in the seminar.

Departments of English and Sanskrit, K.K.T. M. Govt. College, Pullut

Two Day National Seminar on 'Literature and Ecology: Ecocritical Discourses on English and Sanskrit Literatures': A Report

The Department of English, K.K.T.M. Govt College, Pullut, in collaboration with the Dept. of Sanskrit organised a two day National Seminar on 'Literature and Ecology: Ecocritical Discourses on English and Sanskrit Literatures' in the Audio visual room on 21 and 22 November 2019. The Seminar was sponsored by the Directorate of Collegiate Education, Govt. of Kerala. In this age of climatic changes and natural calamities it was highly pertinent to conduct a seminar, on 'Literature and Ecology: Ecocritical Discourses on English and Sanskrit Literatures', that talked about the relationship between literature and nature and the representations of current ecological crises in literature as well. Dr. N. Jenny Rappai, HOD and Professor, Dept of English, SSUS Kalady and Dr. K.V. Ajithkumar, Professor of Sahitya, SSUS, Kalady were the key speakers of the National Seminar.

The inaugural session began at 9.30am on 21 November 2019 by invoking the blessings of the almighty.

Smt. Mary Tessy T.G. ,HOD and Coordinator, Dept of Sanskrit welcomed the gathering. Dr. Nesy E.A., Vice principal and HOD, Dept of Botany delivered the presidential address. Dr. Nesy talked about the representations of nature in literature of all times. She also stressed the importance of conducting a seminar on literature and ecology in this age of climatic changes and ecological crises in the global scenario.

The Seminar on 'Literature and Ecology: Ecocritical Discourses on English and Sanskrit Literatures' was inaugurated by Dr. K.V. Ajithkumar, Professor of Sahitya, Sree Sankaracharya University of Sanskrit, Kalady. While inaugurating the Seminar, Dr. Ajithkumar stressed the importance of conducting an interdisciplinary seminar in higher educational institutions like KKTM Govt College, Pullut.

Dr. N. Jenny Rappai, Professor and HOD, Dept of English, Sree Sankaracharya University of Sanskrit, Kalady, delivered the key note address. She deliberated comprehensively on the topic 'Ecocritical Discourses in and Literature'. Dr. Jenny talked about the representations of nature in literature from the Shakespearean age to the modern age. The key note address was

widely appreciated for its thorough and comprehensive approach. Dr. [illegible]kumari G., Head, Dept. of Malayalam and Mr. T. A. Noushad, PTA vice president also spoke during the occasion. [illegible] Anna John T., HOD and Coordinator, Dept. of English proposed the vote of thanks [illegible] the inaugural session.

The subsequent plenary session was handled by Dr. Sreepriya R., Assistant Professor of English, Govt. Victoria College, Palakkad. She talked at length on the topic "Post human Ecological Speculative Fiction and the Anthropocene". She discussed the current ecological crises in the global world and its representations in global literature. The session concluded with some discussions on the topic and Smt. [illegible] Sudarsanan V., Guest Lecturer in English proposed the vote of thanks.

The afternoon session began with the plenary talk by Dr. [illegible] on the topic "Environmental Perspectives in Shakespeare and the Tempest". [illegible]

environmental viewpoints in Sakuntala and the Tempest. After the inaugural session was handled by Dr. Priya Jose K. She conducted an academic reading of the Queen of Snow. There was a parallel paper presentation session chaired by Smt. Honey Sabu, Govt. Sanskrit Sanskrit College, Pullur. Six paper presenters from other colleges presented their papers during this parallel session. The first day concluded with the valedictory chaired by Dr. Chandra P. Unnikrishnan, Guest Lecturer in Sanskrit, K.K.T.M Govt. College, Pullur.

The second day of the Seminar on 22 November 2014 began with an invited talk by Dr Ajikumar P.V., Assistant Professor of Vedanta and Vice principal, Govt. Sanskrit College, Tripunithura. He spoke very comprehensively on the topic 'Vedic Concept of Environment: A Study Based on Bhumisukta of Atharvaveda'. The subsequent invited talk was delivered by Dr. Vinitha E., Assistant Professor of Sanskrit, Christ College, Irinjalakkuda, on the topic 'Nature and Culture'. She talked about the inextricable relationship between nature and culture.

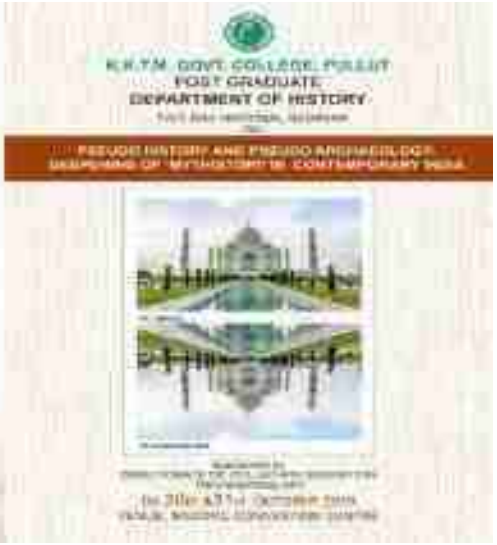
NATIONAL SEMINAR-2019.



inaugration &key note address-Dr.Kesavan Velluthat (director institute for studies in the heritage of coastal kerala)

The Post Graduate Department of History is privileged in hosting two day national seminar on **Pseudo History and Pseudo Archaeology: Deepening 'Mythistory' in Contemporary India,** on 30th& 31st October 2019. National seminar was inaugurated by Dr. Kesavan Veluthat, (Director, Institute for Studies in the Heritage of Coastal Kerala). The Key note address was also delivered by him. Prof.Dr.V Selvakumar,(Department of Maritime History and Marine Archeology, Tamil University, Thanjavur) , Dr.K.V Kunjikrishnan, (President of the State Library Council,) Dr.P.S Manojkumar, (Asst.Professor of History, Sri. C. Acthutha Menon, Govt. College, Thrissur, Dr.Sudheerkumar P, (Asst.Professor of History, SNGS College, Pattambi.) led the various technical sessions.

The event highlighted various discourses relating to historical themes in contemporary media. Continuing with the department's commitment to the cause of secular and scientific history, it provided an insight into the use and abuse of history and archaeology.

POST GRADUATE DEPARTMENT OF MATHEMATICS, KKTM GOVT. COLLEGE, PULLUT

RESEARCH METHODOLOGY SEMINAR FOR PG STUDENTS

REFERENCE MANAGEMENT SYSTEMS

5th DECEMBER 2019

Time: 10.00am- 12.00noon Venue: College Auditorium

Post Graduate Department of Mathematics organized a seminar on reference management system for M.Sc. Mathematics students to enhance their research interest. The Programme was conducted as per the following schedule.

Welcome Speech; Dr. Sabna K.S.

Assistant Professor,

Department of Mathematics,

KKTM Govt. College, Pullut

Invited Speaker: Mr. Shajeeb P.U.

Assistant Professor

Department of Mathematics

Govt. Victoria College, Palakkad.

Vote of Thanks: Ms. Megha P.M.

Assistant Professor,

Department of Mathematics,

KKTM Govt. College, Pullut

The session was very interactive and highly informative. The Speaker gave a detail idea about the various reference management systems and how to explore such systems to enhance the research aptitude. A detail discussion was held on the usage of Google Scholar, Orchid, Scopus, Science Direct etc…

Attendees:

SL.No	Name of Student
1	AMRUTHA K
2	AMRUTHA THAMBAN
3	AMRUTHA T S

NATIONAL SEMINAR
On
Nano and Energy Materials
(NAEM-2019)

During
16-17 December 2019

Sponsored by
Directorate of Collegiate Education
Govt. of Kerala

Dear Sir/Madam

Greetings from the team Physics and Chemistry!

K.K.T.M Government College was founded in the name of celebrated poet Kunhukuttan Thampuran (Kerala Vyasan) in the year of 1965. Our college located at Pullut, 3 km from Kodungallur which is renowned for historical importance, cultural heritage and religious harmony.

As science is becoming more interdisciplinary, it opens up better avenues for collaboration. So the Department of Physics and Chemistry together propose to host National Seminar on Nano and Energy Materials. Eminent scientists and academicians from different institutes of international acclaim will handle sessions of the seminar. We cordially invite faculty members, research scholars and post-graduate students to take part in the seminar and request to make it a grand success.

Dr. Anitha I
(Principal)

Sri. Dandapani K R
(HOD, Physics)

Lunch Break

Two Day National Seminar on

Nano and Energy Materials (NAEM-2019)

Department of Physics and Chemistry
K.K.T.M Government College, Pullut, Kodungallur.

Report

Theme of the Seminar

The global energy crisis has initiated an increasing demand for novel materials that advance the performance of energy-related technologies. The development of nanomaterials and nanotechnologies has provided powerful tools to promote the performance of energy materials and devices, including lithium batteries, supercapacitors, fuel cells, and solar cells by overcoming the limitations through proper material and structure design at the nanoscale. In recent decades, tremendous progress has been made in those energy materials by taking advantage of nanotechnology. The primary objectives of nanotechnology for energy materials are improving energy storage/conversion efficiency and reliability. Nevertheless, there are emerging issues to be addressed for energy materials, structures and complex electrochemistry at small scale.

As science is becoming more interdisciplinary, it opens up better avenues for collaboration. So the Departments of Physics and Chemistry together propose to host a national seminar on **"Nano and Energy Materials (NAEM-2019)"** on December 16 and 18, 2019. Eminent scientists and academicians from different institutes of international acclaim presented recent developments in nano and energy materials.

Inaugural Session

Dr. Suma (Assistant professor of Chemistry and coordinator NAEM 2019 (Chemistry)), welcomed the delegates and participants of the seminar followed by the presidential address by the Principal in charge of the College, Sri. Ullas A, who stressed on the importance of seminars to be get updated and creating a platform for open discussion. The seminar was inaugurated by **Dr. S. N. Potty**, Senior Scientist, C-MET, Thrissur, Kerala at 10.45 AM. Dr. S. N. Potty congratulated the Physics and Chemistry departments for organizing a seminar together by stressing the importance of interdisciplinary aspects of research. The inauguration was followed by felicitations by Sri. Noushad, P.T.A president of the college, Sri. Amal Asad. College union chairman. Dr. Vinayasree S, Assistant Professor of Physics and Coordinator of the programme extended the vote of thanks. The inaugural session was wound up at 11.15 AM.

Technical session 1

The first technical session of the seminar started at 11.30 AM after the inauguration. The session was handled by **Dr. S. N. Potty**, Senior Scientist, C-MET, Thrissur, Kerala. The presentation title was "**Energy Materials – An overview**". He gave an overview of advanced energy materials. Then focused on some recent materials for the application of solar cells. Delegates and students interacted with him during and after the session and he clarified all their doubts. The session was chaired by Sri. Dandapani K R, HOD, Physics. The session broke for lunch at 1.00 PM.

Technical session 2

The second technical session of the seminar started at 2.00 PM. The session on "**Perovskite photovoltaics**" was handled by **Dr. Subila K B,** Assistant Professor, School of Chemical Sciences, M.G University, Kottayam. She presented the importance of perovskite materials in photovoltaic applications. The session chair was Sri. Rijoy. K. J, Assistant Professor, Department of Chemistry. The session came to an end at 3.30 PM after interaction and clarification of doubts.

Poster session

Poster session was conducted from 3.30 PM to 4.30 PM on 16/12/2019. There were a total of 8 participants for the poster presentation. Anjima K of Providence Women's College, Calicut got the best poster award. The posters were evaluated by Dr. Subila K B, Assistant Professor, School of Chemical Sciences, M.G University, Kottayam and Dr. Seena Thomachan, HOD, Department of Chemistry, K.K.T.M. Government College, Kodungallur.

Technical session 3

The third technical session commenced at 10.00 AM on December 18, 2019. Resource person of the Session was **Dr. Aravind. K,** Assistant Professor, Department of Chemistry, St. Berchmans Autonomous College, Changanassery. The session focussed on "**Dye Sensitized Solar Cells**". He elaborately explained how to make a solar cell at home. The session concluded at 11.30 AM. The session was chaired by Mrs. Preetha K, Assistant Professor of Chemistry.

Technical session 4

The fourth technical session started at 11.45 AM. The session was on "**Electrochemical Oxygen Evolution Reaction from Mixed Sulfides**" and handled by **Dr. Sethulekshmi N,** Scientist, DST Women in Science, IIT Gandhinagar, Gujarat. She discussed results from her own lab and the session was helpful in giving an exposure to various beneficial aspects of OER (Oxygen evolution reaction) in sulfides. The session came to an end at 1.15 PM. The session was chaired by Dr. Vinayasree S, Assistant Professor of Physics.

Presentation session

This seminar created a platform for research scholars and faculty members for presenting research works. The presentation session was conducted from 2 PM - 3.30 PM on 18-12-2019. There were a total of 10 participants for the presentations. The presentations were valued by Dr. Aravind. K, Assistant Professor, Department of Chemistry, St. Berchmans Autonomous College, Changanassery and Dr. Sethulekshmi N, Scientist, DST Women in Science, IIT Gandhinagar, Gujarat. Dr. Sreenivasan. K.P, Assistant Professor, Research & PG Department of Chemistry, MES Kalladi College Mannarkkad, bagged the first prize.

Valedictory function

The valedictory session commenced at 3.30 PM. It started with feedback session. Delegates and students concluded that the seminar was very informative and useful for them. Dr. Seena Thomachan, Head of the Department of Chemistry of the college announced the best poster and oral presentation awards and also extended vote of thanks. Dr. Sethulakshmi N presented certificates for the winners. The programme was concluded at 4.30 PM.

The session was on "**Electrochemical Oxygen Evolution Reaction from Mixed Sulfides**" and handled by **Dr. Sethulekshmi N,** Scientist, DST Women in Science, IIT Gandhinagar, Gujarat. She discussed results from her own lab and the session was helpful in giving an exposure to various beneficial aspects of OER (Oxygen evolution reaction) in sulfides. The session came to an end at 1.15 PM. The session was chaired by Dr. Vinayasree S, Assistant Professor of Physics.

Presentation session

This seminar created a platform for research scholars and faculty members for presenting research works. The presentation session was conducted from 2 PM - 3.30 PM on 18-12-2019. There were a total of 10 participants for the presentations. The presentations were valued by Dr. Aravind. K, Assistant Professor, Department of Chemistry, St. Berchmans Autonomous College, Changanassery and Dr. Sethulekshmi N, Scientist, DST Women in Science, IIT Gandhinagar, Gujarat. Dr. Sreenivasan. K.P, Assistant Professor, Research & PG Department of Chemistry, MES Kalladi College Mannarkkad, bagged the first prize.

Valedictory function

The valedictory session commenced at 3.30 PM. It started with feedback session. Delegates and students concluded that the seminar was very informative and useful for them. Dr. Seena Thomachan, Head of the Department of Chemistry of the college announced the best poster and oral presentation awards and also extended vote of thanks. Dr. Sethulakshmi N presented certificates for the winners. The programme was concluded at 4.30 PM.

Report on 3.2.2 TOTAL NUMBER OF WORKSHOPS /SEMINARS CONDUCTED ON RESEARCH METHODOLOGY ,INTELLECTUAL PROPERTY RIGHTS(IPR)AND ENTREPRENEURSHIP YEAR WISE DURING THE YEAR 2020-21

K.K.T.M. Govt. College organised the following programs which comes under criteria 3.2.2 in 2020-21

Sl No	Name of the workshop/ seminar	Date From – To	Resource person
1	Intellectual property rights:An overview	06-08-2020	Dr. Vishnu Sankar, Research Officer, IUCIPRS, CUSAT
2	Growing importance of Intellectual property rights-A Developmental Perspective.	17-09-2020	Dr. Vishnu Sankar, Research Officer, IUCIPRS, CUSAT
3	Research Methodology	03-02-2021	Dr K M Anil, Professor, Ezhuthachan Padana School, Thunchathth Ezhuththachan Malayalam University, Thirur
4	Research Methodology	25-06-2021	Dr. Somanadha P. Associate Professor, Malayalam anf Kerala Studies, Uiversity of calicut
5	ENTREPRENEURSHIP: PROSPECTS AND CHALLENGES IN PANDEMIC PERIOD	10-07-2021	Dr. Eldhose K.V (Asst. Professor, Research Dept. of Commerce and Management Studies, Sri. C Achutha Menon Govt. College, Thrissur)
6	Research career: International opportunities and novel avenues	06-11-2021	Dr. Finosh G Thankam, PhD., Assistant Professor, Tissue Engineering and Regenerative Medicine, Dept. of Translational Research, Western University of Health Sciences, Pomona, California, United States.

All the programmes were held online. The brochures, Screenshots, list of participants and reports of the programmes is given below.

Report

The Internal Quality Assurance Cell (IQAC) and Research Committee of KKTM Government College, Pullut, Kodungallur, Thrissur conjointly organised a webinar (brochure viewable using https://drive.google.com/file/d/1US0MGnvoC0Rfm7jRKgiFID_0pZ2Emx7K/view?usp=sharing) on “Research career: International opportunities and novel avenues" on the 6th of november, 2021, from 10:00 am to 12:00 pm through Google meet platform using the link http://meet.google.com/uxb-qduf-cuo.

Dr. Finosh G Thankam, PhD., Assistant Professor, Tissue Engineering and Regenerative Medicine, Dept. of Translational Research, Western University of Health Sciences, Pomona, California, United States was the resource person.

The programme was targeted for research students and post-graduate students in science subjects all over Kerala. Over 120 participants registered for the programme, and 100 participated (https://docs.google.com/spreadsheets/d/1Bx3HXY48diplXcXdtKQhUt-L2vQ2e8gAn6B7gmKHZ9c/edit?usp=sharing).

The webinar was coordinated by Dr. Seema Menon, Assistant Professor of Zoology and Coordinator of the Research Committee. Dr. Sindhu SL, Associate Professor of Hindi and Coordinator of the IQAC gave away the welcome address. Dr. Sabna KS, Assistant Professor of Mathematics and member of the Research Committee compered the google meet and introduced the resource person. Dr. Finosh gave away a concise and precise lecture for 2 hours on the various research and post-doctoral opportunities in institutes both inside and outside the country. He also introduced national and international scholarships facilitating science research. His talk was followed by an interaction session in which he addressed all the queries and doubts put forward by the participants. Followingly, he showed a short video including the basics of his work done on swine heart. After the talk, Dr. Seema Menon, Coordinator proposed a vote of thanks. Dr. Nesy EA, Principal, KKTM Government College attended and facilitated the conduct of the whole programme.

The video recording of the Webinar is available in the Google drive link https://drive.google.com/file/d/1I8Xsflto5YWJW3-QPXPFZROsCUdbMOdv/view?usp=sharing .

The feedback on the programme was collected using google form (https://forms.gle/Hjgs2eaiDRqew2jX6). E-certificates were provided to all participants (https://drive.google.com/file/d/1Z6HUYxAuvoP4xp7Rs7jKvNjk31Z8PWdM/view?usp=sharing). More than 90% of the participants were satisfied with the conduct of the

Webinar, its duration and the talk by the resource person. More than 90% of the participants rated it excellent (https://docs.google.com/spreadsheets/d/1HUu933oSkByZsFAZMbYtD6JZH90uXjd9TAZ6Nkd1DH8/edit?usp=sharing).

Report

National Energy Conservation Department of Physics and IQAC conducted a Hands-on training on “LED lamp assembling” on the occasion of National Energy Conservation Day for the students of KKTM Govt. College. The program was conducted to promote the use of LED bulbs and other light sources which consume less electrical energy. The program also aimed to give skill training to the students during the COVID 19 pandemic. 40 students from various departments registered out of which 25 students were shortlisted to participate in the hands-on training held on 17.12.2021 at 11.00 am in the Physics lab of our department.

The event was an extension activity of our department, sharing our resources for the benefit of the whole college. The students were highly enthusiastic so that we planned for the Part II of the same training in the coming month also. Akarsh M.H(III year B.Sc. Applied Physics student) and Ajamalsha K.T. (I year B.Sc. Applied Physics student) KKTM. Govt. College acted as the resource persons for the same.

Academic writing is a formal style of writing used in universities and scholarly publications. Postgraduate Department of Mathematics, K.K.T.M Government College organized a research methodology webinar on the topic " Academic writing " which is a relevant topic in the present scenario. The webinar organized on 19-11-2020 mainly aims for our PG students.

Dr.Resmi T, Associate Professor, Department of Mathematics, K.K.T.M Government College delivered a short welcome speech. In her welcome speech, she introduced the resource person Smt.Mary Elizabeth Antony.

Smt.Mary Elizabeth Antony, Assistant Professor, Department of Mathematics, Mar Athanasius College, Kothamangalam delivered a lecture on the topic "Academic writing". She started with listing distinctive features of academic and non academic writing. She discussed various types of academic writing such as research paper writing, thesis writing and research proposal writing. She explained the key points of MLA and APA style of citation.

Simple and clear presentation style of our resource person was very impressive to our students. Her presentation was really a motivation to our students and paved a path to the field of research.

Dr.Sabna K.S, Assistant Professor, Department of Mathematics, K.K.T.M Government College proposed vote of thanks.

34 students participated in the webinar. The entire seminar was very informative to our students and was a great success.

Report of the Webinar on "Climate Change" organised by the Physics Department in association with IQAC

Department of Physics organised a webinar "Climate Change" on **03.10.2020** for the students. The programme was meant to give an overview of climate change and its impact.

Dr. Girach Imran A, Scientist-SE, Space Physics Laboratory(SPL), Vikram Sarabai Space Centre (VSSC), Indian Space Research Organisation (ISRO), Thiruvananthapuram was the resource person, who had more than 15 years' experience in the field of climate research. 108 participants registered for the event and **94 participants benefitted** out of the 1-hour online talk.

Dr. Nesy E A (Principal), Dr. Sindhu S L (IQAC coordinator), Mr. Jestin M.G. (HOD), Mrs. Lovely George, Mrs Dhanya N P, Mr. Arun V and Dr. Vinayasree S, Assistant Professors of the Department of Physics and faculty from nearby colleges also participated in the event.

Such a talk on a relevant topic helped the students to know more about the research areas of climate change and also the steps must be taken as an individual to reduce climate change.The talk was very relevant during COVID 19 pandemic time.

All the participants were awarded with e- certificate. Details of the Programme

Path of Glory - Reflections from the Esteemed Alumni of Dept. of Zoology

Online Lecture series on research opportunities- Talk 1

"Path of Glory" was an online awareness programme organized by the Dept. of Zoology, KKTM Govt. College, Pullut, Thrissur conducted with the aim of introducing research avenues to students and inculcating research aptitude in them. The eminent resource persons handling the series were from recognised research institutes both inside and outside the country, the highlight being that they are alumni of the Department. The programme was conducted as a series comprising four talks.

Talk 1:

Date : 23-12-2020
Time : 2:00 pm
Platform : Google meet
Resource person : Nidish P.S., PhD student, Department of Molecular Sensory System, Centre of Advanced European Studies and Research, An associate of Max Planck Society, Bonn (Alumnus 2007-2010 BSc Zoology)

The programme was inaugurated by Dr. Nesy E. A., Principal, KKTM Govt. College, Pullut. Dr. Shaji E. M., HoD, Dept. of Zoology co-ordinated the programme. Mr. Prasad N. K., Assistant Professor of the department welcomed the gathering. 88 members (including students and research scholars from both inside the college and other institutions attended the webinar). Mrs. Soumya K.C., Assistant Professor of the Department, proposed the vote of thanks.

Online Lecture series on research opportunities- Talk 3

"Path of Glory" was an online awareness programme organized by the Dept. of Zoology, KKTM Govt. College, Pullut, Thrissur conducted with the aim of introducing research avenues to students and inculcating research aptitude in them. The eminent resource persons handling the series were from recognised research institutes both inside and outside the country, the highlight being that they are alumni of the Department. The programme was conducted as a series comprising four talks.

Talk 3:

Date : 07-01-2021
Time : 5:00 pm
Platform : Google meet
Resource person : Dr. E A Jayson
Dept. of Wildlife Biology, Kerala Forest Research Institute
Peechi, Thrissur, Kerala
(Alumnus 1975-1978 BSc Zoology)

The programme was inaugurated by Dr. Nesy E. A., Principal, KKTM Govt. College, Pullut. Mr. Mr. Prasad N. K., Assistant Professor, Dept. of Zoology co-ordinated the programme. Dr. Shaji E M, Assistant Professor and HoD of the department welcomed the gathering. 92 members (including students and research scholars from both inside the college and other institutions attended the webinar). Mrs. Soumya K C, Assistant Professor of the Department, proposed the vote of thanks.

KKTM GOVT. COLLEGE, PULLUT

ED CLUB REPORT 2021-2022

An exclusive workshop under the auspices of ED Club of KKTM Government College on making toilet cleaner and hand wash was held on 22-2-2022. A total of 77 students attended the workshop. The workshop enabled students to familiarize themselves with the preparation of indigenous toilet cleaner and hand wash. After having prepared it, the same was distributed to all departments. The necessary ingredients to prepare them was issued free of cost by the District Industries Centre, Government of Kerala. The workshop proved to be a stupendous success.

Department of Physics and IQAC, KKTM Govt. College, Pullut

(Re-accredited with B grade by NAAC)

Invite you all to a motivational talk on "Future career and Research Prospects" at 2.00 PM IST on 22.12.2021

Resource Persons

1. **Dr. Sunil Chandra, Post-Doctoral, SAAO, Cape Town, South Africa and Adjunct Senior Lecturer, Centre for Space Research, North West University Potchefstroom, South Africa and**
2. **Ms. Deepthi S. Prabhu, Reasearch Scholar, Indian Institute of Astrophysics,Bangalore**

Venue

2nd year B.Sc. Applied Physics, Classroom

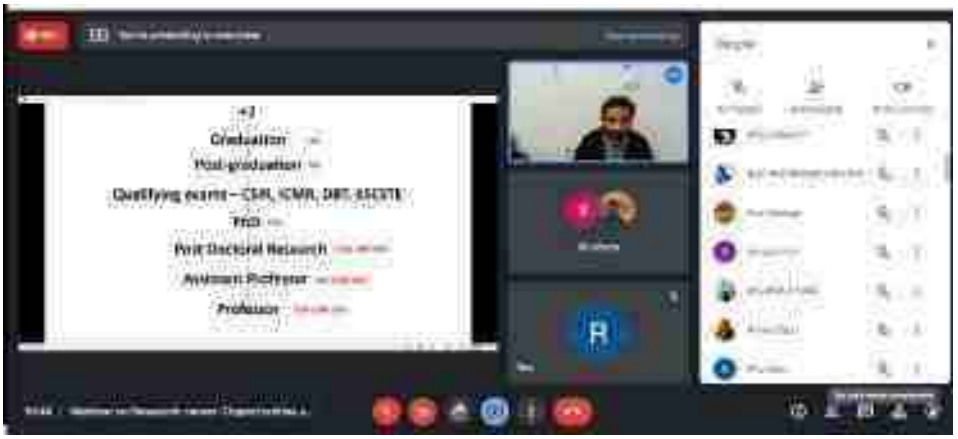
Report

The Internal Quality Assurance Cell (IQAC) and Research Committee of KKTM Government College, Pullut, Kodungallur, Thrissur conjointly organised a webinar (brochure viewable using https://drive.google.com/file/d/1US0MGnvoC0Rfm7jRKgiFlD_0pZ2Emx7K/view?usp=sharing) on “Research career: International opportunities and novel avenues" on the 6th of november, 2021, from 10:00 am to 12:00 pm through Google meet platform using the link http://meet.google.com/uxb-qduf-cuo.

Dr. Finosh G Thankam, PhD., Assistant Professor, Tissue Engineering and Regenerative Medicine, Dept. of Translational Research, Western University of Health Sciences, Pomona, California, United States was the resource person.

The programme was targeted for research students and post-graduate students in science subjects all over Kerala. Over 120 participants registered for the programme, and 100 participated (https://docs.google.com/spreadsheets/d/1Bx3HXY48diplXcXdtKQhUt-L2vQ2e8gAn6B7gmKHZ9c/edit?usp=sharing).

The webinar was coordinated by Dr. Seema Menon, Assistant Professor of Zoology and Coordinator of the Research Committee. Dr. Sindhu SL, Associate Professor of Hindi and Coordinator of the IQAC gave away the welcome address. Dr. Sabna KS, Assistant Professor of Mathematics and member of the Research Committee compered the google meet and introduced the resource person. Dr. Finosh gave away a concise and precise lecture for 2 hours on the various research and post-doctoral opportunities in institutes both inside and outside the country. He also introduced national and international scholarships facilitating science research. His talk was followed by an interaction session in which he addressed all the queries and doubts put forward by the participants. Followingly, he showed a short video including the basics of his work done on swine heart. After the talk, Dr. Seema Menon, Coordinator proposed a vote of thanks. Dr. Nesy EA, Principal, KKTM Government College attended and facilitated the conduct of the whole programme.



The video recording of the Webinar is available in the Google drive link https://drive.google.com/file/d/1l8Xsflto5YWJW3-QPXPFZROsCUdbMOdv/view?usp=sharing .

The feedback on the programme was collected using google form (https://forms.gle/Hjgs2eaiDRqew2jX6). E-certificates were provided to all participants (https://drive.google.com/file/d/1Z6HUYxAuvoP4xp7Rs7jKvNjk31Z8PWdM/view?usp=sharing). More than 90% of the participants were satisfied with the conduct of the Webinar, its duration and the talk by the resource person. More than 90% of the participants rated it excellent (https://docs.google.com/spreadsheets/d/1HUu933oSkByZsFAZMbYtD6JZH90uXjd9TAZ6Nkd1DH8/edit?usp=sharing).

National webinar2021-22

A National Webinar On **GENDER ISSUES: DIMENSIONS & DEVELOPMENTS IN THE CONTEMPORARY SCENARIO,** on 28, 29,&31, JANUARY 2022. National seminar was inaugurated and Key note address was delivered by Dr.Kavitha G .N, Assistant Professor, Centre of Women's Studies Jnanabarathi Campus, Bangalore University, Bangalore. Dr.Gracy K S (Assistant Professor of History St.Peters College,Kollanchery.) Dr.Manjula K V, (Assistant

Professor of Malayalam,Government Brennan College,Thalassery)etc led various technical sessions.

The programme provided valuable insights into the contours of methodology of gender history as specialized discipline of history. It could sensitizes the academic communities about the various dimensions of gender questions an reasoned developments in the arena.

26. ഓഗസ്റ്റ് 10.30 AM

ശ്രീദേവി പി.എസ്

ദളിത് ഫെമിനിസം

ദളിത്ഫെമിനിസം - വെബിനാർപരമ്പര

കെ. കെ. ടി. എം. ഗവൺമെന്റ് കോളേജിലെ മലയാള വിഭാഗത്തിന്റെ നേതൃത്വത്തിൽ 'ഫെമിനിസങ്ങൾ' എന്ന പേരിൽ ആഗസ്റ്റ് 25 മുതൽ നടത്തി വരുന്ന വെബിനാർ പരമ്പരയിലെ രണ്ടാം ദിവസത്തെ അവതരണം ആഗസ്റ്റ് 26 ബുധനാഴ്ച കാലത്ത് 10 30 ന് മലയാളം വിഭാഗം വകുപ്പ് അധ്യക്ഷ ഡോ. ജി. ഉഷാകുമാരിയുടെ നേതൃത്വത്തിൽ നടന്നു.

കാലടി ശ്രീശങ്കരാചാര്യ സംസ്കൃത യൂണിവേഴ്സിറ്റിയിലെ ഗവേഷകയും തുറവൂർ പ്രാദേശിക കേന്ദ്രത്തിൽ അധ്യാപികയുമായ ശ്രീദേവി പി എസി നെ ടീച്ചർ പരിചയപ്പെടുത്തുകയും സ്വാഗതമരുളുകയും ചെയ്തു. 'ദളിത് ഫെമിനിസം' എന്ന വിഷയത്തെ അധികരിച്ച് പ്രഭാഷണം നടത്തുന്നതിനായി ശ്രീദേവി പി എസിനെ കെ കെ ടി എം ഗവൺമെന്റ് കോളജിലെ അധ്യാപികയായ മോഡറേറ്റർ ഡോ. ധന്യ എസ് പണിക്കർ പ്രഭാഷണത്തിനായി ക്ഷണിച്ചു.

'ദളിത് ഫെമിനിസം' എന്ന വിഷയത്തെ കേന്ദ്രീകരിച്ചായിരുന്നു ക്ലാസ്സ്. ദളിത് ഫെമിനിസം ജാതിക്കും പാട്രിയാർക്കിക്കും എതിരെയുള്ള സ്ത്രീകളുടെ പോരാട്ടം ആണ് എന്ന നിർവചനത്തെ അടിസ്ഥാനപ്പെടുത്തിയാണ് ശ്രീദേവി പി എസ് ക്ലാസ്സ് കൈകാര്യം ചെയ്തത്. ദളിത് ഫെമിനിസത്തിന്റെ ഇന്ത്യൻ ചരിത്രവും, സ്ത്രീ മുന്നേറ്റവും വിശദമാക്കിയതിനുശേഷം കൃത്യമായ വർഷങ്ങളുടെ സഹായത്തോടുകൂടി ദളിത് പ്രസ്ഥാനങ്ങളെ കുറിച്ചും അവയിലെ സ്ത്രീ പ്രാതിനിധ്യത്തെകുറിച്ചും അവതാരക പ്രതിപാദിച്ചു. എഴുത്തുകാരായ ഉമാ ചക്രവർത്തി, സുനൈന തുടങ്ങിയവരുടെ കൃതികളെ മുൻനിർത്തി ഇന്ത്യൻ ഫെമിനിസം ലിംഗാധിഷ്ഠിത ഫെമിനിസത്തിലാണ് ഊന്നിനിൽക്കുന്നത് എന്ന വിമർശനമാണ് അവർ ഉന്നയിച്ചത്. തുടർന്ന് ദളിത് അന്യവൽക്കരണത്തെയും മുഖ്യധാരാ രാഷ്ട്രീയത്തിനകത്തെ ലിംഗാധിഷ്ഠിതമായ ശ്രേണി ബന്ധത്തിന്റെ നിലനിൽപ്പിനെ കുറിച്ചും അത് ദളിത് സ്ത്രീയെ നിർവചിക്കാൻ ഉതകുന്നില്ല എന്നും അവർ കൂട്ടിച്ചേർത്തു. സാമൂഹിക ഇടങ്ങളിലെ പുരുഷാധിപത്യത്തോടൊപ്പം വീടിനകത്തും ദളിത് സ്ത്രീകൾ അതിക്രമങ്ങൾ നേരിടേണ്ടിവരികയാണ് എന്ന് ശ്രീദേവി വ്യക്തമാക്കി. ദളിത് ഫെമിനിസത്തോടൊപ്പം സ്വത്വാനന്തര ഫെമിനിസവും കൂട്ടിയോജിപ്പിക്കാം എന്ന ഒരു അഭിപ്രായവും മുന്നോട്ട് വച്ചു. ദളിത് സ്ത്രീകളുടെ ജ്ഞാനോൽപാദനം സാധ്യമാകുന്നില്ല എന്ന സാമൂഹിക വിമർശനത്തിനെതിരെ ദാക്ഷായണി വേലായുധനെ പോലെയുള്ളവരുടെ സംഭാവനകൾ ഉദാഹരിച്ചു.

നവമാധ്യമങ്ങളുടെ കടന്നുവരവോടുകൂടി ദളിത് സ്ത്രീകൾക്ക് തുറന്നെഴുതാനും, ചർച്ച ചെയ്യാനുമുള്ള അവസരങ്ങൾ ലഭിക്കുന്നതായും തുടർന്ന് "കറുപ്പഴിയുടെ രാഷ്ട്രീയ"മെന്ന അലീനയുടെ കൃതിയേയും വിജില, അമ്മുദീപ തുടങ്ങിയവരുടെ സാഹിത്യ സംഭാവനകളെപറ്റിയും വിശദമാക്കി.ഇന്ത്യയ്ക്കകത്തെ ദളിത് ഫെമിനിസത്തിന്റെ ചരിത്രത്തെയും, പൊതു വ്യവഹാരങ്ങളിൽ ദളിത് സ്ത്രീകളുടെ തനതിടത്തെക്കുറിച്ചും തന്റേതായ ചില അഭിപ്രായങ്ങളെ കൂടി ചേർത്ത് വച്ചാണ് " ദളിത് ഫെമിനിസം" എന്ന വിഷയത്തെ അധികരിച്ച് ശ്രീദേവി ക്ലാസ്സ് കൈകാര്യം ചെയ്തത്.

അവതരണത്തിനു ശേഷം മോഡറേറ്ററായ ധന്യ ടീച്ചർ ചർച്ച നയിച്ചു. ചാറ്റ് ബോക്സിലും വീഡിയോയിലുമായി നിരവധിയായ ചോദ്യങ്ങൾ ഉയർന്നു വന്നു. ഓരോ ചോദ്യങ്ങളെയും പ്രത്യേകം പരിഗണിച്ചുകൊണ്ട് അവതാരക കൃത്യമായി മറുപടി പറയാൻ ശ്രദ്ധിച്ചു.ചർച്ചക്ക് ശേഷം മോഡറേറ്ററായ ധന്യ ടീച്ചറുടെ നന്ദി പ്രകാശനത്തിനുശേഷം വെബിനാറിനു സമാപനം കുറിച്ചു.

ഗ്രണഭോക്താക്കൾ

'ഫെമിനിസങ്ങൾ' എന്ന പേരിൽ ആഗസ്റ്റ് 25 മുതൽ 29 വരെ നടക്കുന്ന വെബിനാർ പരമ്പരയുടെ രണ്ടാം ദിവസം, എം എ വിദ്യാർത്ഥികൾ, ഗവേഷകർ, അധ്യാപകർ, മറ്റ് കോളേജുകളിലെ അധ്യാപക വിദ്യാർത്ഥികൾ, ദളിത് ഫെമിനിസത്തെക്കുറിച്ച് അറിയാൻ താല്പര്യമുള്ള പുറമെ നിന്നുള്ളവർ അടക്കം നൂറോളം ആളുകൾ പങ്കെടുത്തു.

The presentation on the second day of the webinar series titled "Feminisms" under the leadership of KTM Government College's Malayalam Department was held on Wednesday, August 26 at 10 30 am under the leadership of Dr G Usha Kumari, Head of the Department of Malayalam. The teacher introduced and welcomed Sreedevi PS, a researcher at Sree Shankaracharya Sanskrit University, Kalady and a teacher at Thuravoor regional centre. Sridevi PS was invited to deliver a lecture on the topic of "Dalit Feminism" moderated by Dhanya S Panikar, a teacher at KKTM Government College.

The class was focused on the topic "Dalit Feminism". The class of Sreedevi P S has been based on the definition that Dalit feminism is the struggle of women against caste and patriarchy. After detailing the Indian history of Dalit feminism and the advancement of women, the presenter discussed the Dalit movements and the representation of women in them with the help of exact years. She pointed out the works of writers like Uma Chakraborty and Sunaina and

criticized that Indian feminism focuses on gender-based feminism. She then adds that Dalit alienation and the existence of gender-based hierarchies within mainstream politics do not define a Dalit woman. Sreedevi made it clear that along with patriarchy in social spaces, Dalit women have to face abuse at home as well. An idea has also been put forward that post-identity feminism can be combined with Dalit feminism. The contributions of people like Dakshayanivelayudu exemplified the social criticism that Dalit women were not able to produce knowledge.

With the advent of new media, Dalit women are getting opportunities to write and discuss openly, and then elaborated on Alina's work "Politics of blackberries" and the literary contributions of Vijila, Ammudeepa and others.

Her class dealt with the topic of "Dalit Feminism" by incorporating the history of Dalit feminism in India and some of her own views on the place of Dalit women in public discourse. After the presentation, the moderator, DhanyaTeacher, led the discussion. Many questions came up in the chatbox and video. The presenter tried to answer each and every question specifically.

Beneficiaries

The second day of the webinar series titled "Feminisms" from August 25 to 29 was attended by about 100 people, including MA students, researchers, teachers, student teachers from other colleges and outsiders interested in learning about Dalit feminism.

National Mathematics Day Celeberations, 2021

Hexaract 2k21

Programme Report

Department of Mathematics, KKTM Govt. College, organized National Mathematics Day Celebrations on 21st December 2021. Programme Started with a formal Inaugural function and followed by an Inspirational Talk.

Time: 10.00 am

Venue: Audio Visual Room

Programme started with a Prayer rendered by Ms. Devika Murali of 3rd semester M.Sc. Mathematics. Mr. Murali T K, Asst. Professor, Dept. of Mathematics delivered Words of Welcome. Function was Presided over by Head of Mathematics Department Ms. Sathi PH and delivered Presidential Address. The Event was inaugurated by Dr. G. Ushakumari, Vice Principal , Associate Professor, Department of Malayalam.

Dr. Pravas K . Asst. Professor, Dept. of Mathematics offered a talk on 'Visualising Mathematics' in which several software tools for visualising various concepts in Mathematics were introduced . The talk was extremely informative and highly useful to students and teachers attended the programme.

About 70 participants including teachers and students attended the programme and the event came to an end at 11.45am.
