

Ramanujan day Celebration

The birthday of the famous Indian mathematician Srinivasa Ramanujan was celebrated by the department by conducting an online quiz contest for school and college students across Kerala on 22 December 2022. About 500 students participated in this program. Jeffy K Jose, student of St. Joseph School Villakumadom won the first prize. He took only 1.47 minutes to complete the quiz. As a part of Ramanujan day, an exhibition of Mathematics and several competitions based on mathematics was conducted on 5th January 2023 for the students of other departments in the college. It was inaugurated by Dr. Nesy E A, Principal, KKTM Govt College Pullut. All students of the college were actively participated in this programme.
