

Centre for Continuing Education, Kerala(CCEK) Cell

KKTM Govt. College, Pullut

Report 2022-2023

KKTM Government College, Pullut has been accredited as a subcentre of the Centre for Continuing Education, Kerala (CCEK) under the registration number CE/A/446/2022. This accreditation enables the college to offer nine dynamic and industry-relevant continuing education programs to empower individuals in diverse fields. These courses include the Advanced Diploma in Logistics and Supply Chain Management (ADLSCM), Diploma in Computer Application (DCA), Professional Diploma in Fibre Optics & Digital Security System (PDFDS), Professional Diploma in Fitness Training (PDFT), Professional Diploma in Industrial Electrical Engineering (PDIEE), Professional Diploma in Industrial Instrumentation & Fire and Safety (PDIFS), Professional Diploma in Shipping & Logistics (PDSL), Professional Diploma in Airport, Hospitality, Travel & Tourism Management (PDAHT), and Professional Diploma in Banking and Corporate Accounting (PDBCA). These programs cater to different segments of industries, providing valuable training and education to students to prepare them for the workforce or to upgrade their existing skills. This initiative reflects the college's commitment to promoting lifelong learning and fostering a culture of continuous improvement.

The Diploma in Computer Applications (DCA) inauguration was held on 5th December 2022 at the Audio Visual Room, with an enthusiastic gathering of 37 students.

Event Timeline

- 9:30 AM - The program commenced with a warm welcome speech by Smt. Dhanya Mohan O, Centre Manager, setting the tone for the day's proceedings.
- 9:40 AM - Dr. Nesy E.A., the Principal, inaugurated the event and addressed the students, highlighting the significance of the DCA course in the modern technological landscape.
- 9:55 AM - Mr. Glanto Andrews, the esteemed resource person, took the stage and shared insights into the importance of computer applications in today's digital age, and the role of DCA in equipping students with the necessary skills. The students were introduced to the various aspects of the course, including assessments, practical sessions, and the resources available to them.
- 10:15 AM - The DCA faculty, Smt. Aiswarya, provided an overview of the course curriculum and what students could expect from their learning journey.
- 10:25 AM - The Vote of Thanks was delivered by Smt. Binu Mol T.V., Asst. Professor of Computer Science, expressing gratitude to all attendees and organizers for making the event a success.

The DCA inauguration event was a great opportunity for the students to gain insight into the world of computer applications and to prepare for their academic journey ahead.

An awareness class on Centre for Continuing Education, Kerala (CCEK) courses was conducted at the Auditorium on 19th September 2022 at 11:30 AM. The program commenced with a welcome speech by Dhanya Mohan O, setting the tone for the day's proceedings. The inauguration was performed by Dr. Nesy E A (Principal), emphasizing the importance of CCEK courses in the current era. Mr. Glanto Andrews and Mr. Abhijit Nair, esteemed resource persons, were introduced to the audience. The Memorandum of Understanding (MoU) between CCEK and the Principal of KKTm Govt. College was officially handed over, symbolizing a commitment to collaboration. Dr. Remani K K (IQAC Coordinator) felicitated the attendees and highlighted the significance of such events in shaping the future of students. The vote of thanks was delivered by Smt. Anjali Mohan, a Research Scholar in Malayalam, who expressed gratitude to the organizing committee and attendees for their participation. The main presentations commenced, with Mr. Glanto Andrews discussing the Diploma in Computer Applications (DCA) course and its relevance in the current scenario. Mr. Abhijit Nair elaborated on the one-year CCEK courses and their potential to open doors to lucrative career opportunities. 189 students were participated in the programme. The awareness class on CCEK courses was a resounding success, providing valuable insights and guidance to aspiring students. The event showcased the commitment of KKTm Govt. College towards empowering its students with relevant skills and knowledge.

CCEK Admission 2022-23

In the academic year 2022-2023, KKTM Government College, Pullut saw an impressive enrollment in its continuing education programs. There were 3 students enrolled for the Professional Diploma in Industrial Electrical Engineering (PDIEE), showcasing the demand for skilled professionals in the field. Additionally, the Advanced Diploma in Logistics and Supply Chain Management (ADLSCM) saw 6 students eager to enhance their expertise in this critical area, reflecting the industry's reliance on efficient logistics. The Professional Diploma in Shipping & Logistics (PDSL) and Diploma in Computer Application (DCA) programs each attracted 4 and 36 students, respectively. The substantial enrollment of 49 students across various courses emphasizes the college's commitment to providing practical and relevant education that prepares students for real-world applications.

Course	No. of Students
DCA	36
ADLSCM	6
PDSL	4
PDIEE	3
Total	49

The academic year 2022-2023 at KKTM Government College, Pullut saw an impressive enrollment in several continuing education programs. However, the Professional Diploma in Fitness Training (PDFT), Professional Diploma in Fibre Optics & Digital Security System (PDFDS), Professional Diploma in Industrial Instrumentation & Fire and Safety (PDIFS), Professional Diploma in Banking and Corporate Accounting (PDBCA), and Professional Diploma in Airport, Hospitality, Travel & Tourism Management (PDAHT) did not have any batches during this academic year.
