

KKTM GOVT. COLLEGE, PULLUT

CCEK CELL Report 2023-2024

1. DCA Orientation Class

The orientation program for the Diploma in Computer Applications (DCA) course, held on November 16, 2023, at 2:30 PM in the Auditorium of Trust Area Skill Development and Employability. The orientation program aimed at introducing unemployed youth to the Diploma in Computer Applications (DCA) course, fostering their skills, and enhancing their employability prospects. The initiative aligns with the Trust Area Skill Development and Employability's mission to provide tailored training to bridge the gap between job seekers and market demands.

Sri. Glanto Andrews, DCA Course Coordinator at CCEK, brought extensive expertise and insight into the DCA curriculum and its relevance in today's job market.

Smt. Dhanya Mohan O, the Centre Manager of CCEK Subcentre and Assistant Professor and Head of the Department of Computer Science, commenced the program with a warm welcome. Her address set an inclusive and encouraging tone, emphasizing the significance of skill development in empowering individuals for better career opportunities.

Dr. Bindu Sharmila, the Principal of KKTM Govt. College, Pullut, delivered an insightful presidential address. Dr. Sharmila underscored the importance of embracing technological education, particularly in the realm of computer applications, to meet the evolving demands of the digital era.

Sri. Glanto Andrews provided an in-depth overview of the DCA course, elucidating its modules, objectives, and career prospects. His presentation elucidated the practical relevance of the course content and its potential to equip learners with essential skills sought after by employers across various industries.

Following the presentations, an interactive session ensued, allowing participants to raise queries and engage in discussions regarding the course structure, admission process, and potential career pathways. The session fostered a collaborative atmosphere, enabling attendees to gain clarity and confidence in their decision to pursue the DCA course.

The orientation program on the Diploma in Computer Applications course served as a pivotal platform for unemployed youth to explore avenues for skill development and enhance their employability. The insights shared by the resource persons, coupled with the interactive exchange among participants, instilled a sense of purpose and direction among attendees, equipping them with the necessary knowledge to embark on a rewarding career journey in the field of computer applications.

Kum. Akhila, II Bsc Applied Student extend heartfelt gratitude to Sri. Glanto Andrews for his invaluable contributions as the resource person, and to Smt. Dhanya Mohan O and Dr. Bindu Sharmila for their inspiring addresses. Special thanks to all participants for their active participation and enthusiasm.

2. DCA Certificate Distribution

Out of the 36 students enrolled in the Diploma in Computer Applications (DCA) course, 20 are on-campus students, while 16 are off-campus. The DCA course has not only been a valuable educational experience for these students, but it has also contributed significantly to the financial success of the college, generating a profit of Rs. 74,400. Additionally, all 36 students successfully completed their studies and received their certificates and mark sheets, highlighting the effectiveness of the course and the dedication of the students.

3. PDSL /ADLSCM certificate Distribution

The banner features logos for N.S.D.C. National Skill Development Corporation (Transforming the skill landscape) and CENTRE FOR CONTINUING EDUCATION KERALA. The text reads: **KKTM GOVT. COLLEGE, PULLUT**, **SUB CENTRE REG.NO. CE/A/446/2022 FOR CENTRE FOR CONTINUING EDUCATION, KERALA(CCEK) VOCATIONAL TRAINING PROGRAMS FOR CAMPUS**. The programs are **Professional Diploma in Shipping & Logistics (PDSL)** and **Advanced Diploma in Logistics and Supply Chain Management(ADLSCM)**. The event is a **CERTIFICATE DISTRIBUTION**. The venue is the **PRINCIPAL CHAMBER** and the date & time is **01/03/2024 2:30 PM**. The principal is **Dr. BINDU SHARMILA T.K.** and the centre manager is **Smt. DHANYA MOHAN O**. A circular inset shows a stack of certificates.

The certificate distribution ceremony for the Professional Diploma in Shipping & Logistics (PDSL) and the Advanced Diploma in Logistics and Supply Chain Management (ADLSCM)

was held on May 30, 2024, at 11:00 AM in the Principal's Chamber, marking a significant milestone in the academic journey of the students enrolled in these programs.

Smt. Dhanya Mohan O, Center Manager of CCEK Subcentre and Assistant Professor and Head of the Department of Computer Science, delivered a warm and encouraging welcome speech, setting the tone for the ceremony and highlighting the importance of the achievements being celebrated.

The certificates were distributed by Dr. Bindu Sharmila T K, Principal of KKT M Govt. College, Pullut, who commended the dedication and hard work of the students in successfully completing their respective programs.

Six students who attended and passed the examinations for the Advanced Diploma in Logistics and Supply Chain Management (ADLSCM) were recognized for their outstanding performance and commitment to excellence. Additionally, three students who attended and passed the examinations for the Professional Diploma in Shipping & Logistics (PDSL) were also acknowledged for their achievements.

The certificate distribution ceremony served as a moment of celebration and recognition for the students' accomplishments in the fields of shipping, logistics, and supply chain management. As they embark on their professional journeys, may they continue to apply the knowledge and skills gained through these programs to make meaningful contributions to their respective industries.

4. International Women's Day celebration

On 15th March 2024, an engaging and enlightening International Women's Day celebration was held in the Audio Visual Room, jointly organized by the Women's Cell, CCEK Cell, Gender Justice Forum, and IQAC, emphasizing the importance of gender equality in contemporary society.

Miss Anchana P R, a Second Year student majoring in Chemistry, delivered an insightful introduction, emphasizing the significance of International Women's Day and the need for continued efforts towards achieving gender equality.

Dr. Suma C S, Coordinator of the Women's Cell, delivered a warm welcome speech, setting the stage for discussions on gender equality and underscoring the importance of collective action in addressing gender-based disparities.

Dr. Bindhu Sharmila T K, the Principal of the institution, delivered a powerful presidential address, highlighting the institution's commitment to promoting gender equality and fostering an environment of inclusivity and respect for all genders.

Dr. Sreevidhya V, Assistant Professor from the PG and Research Department of History at Christ College, Irinjalakuda, inaugurated the event and served as the resource person. Dr. Sreevidhya's expertise on gender issues enriched the discussions and provided valuable insights into the complexities of achieving gender equality.

Dr. G Ushakumari, Vice-Principal and Coordinator of the Gender Justice Forum, was felicitated for her dedicated efforts in advancing gender justice and advocating for women's rights. Smt. Dhanya Mohan O, Coordinator of the CCEK Cell, was honored for her contributions to promoting women's education and empowerment. Dr. Lovely George, Coordinator of IQAC, was

recognized for her role in promoting gender-sensitive policies and practices within the institution. Smt. Raga R, a member of the Women's Cell, delivered a heartfelt vote of thanks, expressing gratitude to all participants, organizers, and attendees for their active involvement and commitment to advancing gender equality.

The International Women's Day celebration, with its focus on gender equality, served as a platform for meaningful discussions and reflections on the progress made and the challenges that lie ahead in achieving gender parity. The collaboration between the Women's Cell, CCEK Cell, Gender Justice Forum, and IQAC underscored the collective commitment towards creating a more equitable and inclusive society.

 DATE : 15/03/2024
 TIME : 11 AM

Dr. BINDU SHARMILA T.K. (Principal)
 Smt. DHANYA MOHAN O (CCEK Centre Manager)
 Dr. LOVELY GEORGE (Career Guidance Cell Co-ordinator)
 Sri. BENDY THOMAS M P (Civil Service Cell Co-ordinator)

KKTM Govt. College, Pullut, in collaboration with Kerala State Civil Service Academy and academic cells such as CCEK, Career Guidance, and Civil Service, hosted an illuminating Awareness Class on Civil Service Courses at the Audio Visual Room on 15th March 2024.

Smt. Dhanya Mohan O., Head of the Department of Computer Science and Centre Manager of CCEK, extended a warm welcome to all attendees, setting a congenial atmosphere for the event. Dr. Bindu Sharmila T.K., Principal of KKTM Govt. College, Pullut, delivered an inspiring presidential address emphasizing the importance of Civil Service careers and the role of educational institutions in nurturing future civil servants.

Sri. Vishnu M S, a Lecturer at Kerala Civil Service Academy, Palakkad, shared valuable insights into the Civil Service examination pattern, syllabus, and effective preparation strategies, enlightening the attendees on the journey towards civil services.

Dr. Lovely George, Coordinator of IQAC & Career Guidance Cell, and Sri. Benoy Thomas M P from the Civil Service Cell, felicitated the speakers, expressing gratitude for their informative contributions and encouraging students to pursue their aspirations ardently.

Dr. Deepthi A N, Assistant Professor of Mathematics, expressed heartfelt thanks to all participants, organizers, and sponsors for their unwavering support and active involvement in making the event a success, concluding the proceedings on a positive note.

The Awareness Class on Civil Service Courses organized by KKTM Govt. College, Pullut, served as a significant platform for students to gain profound insights into Civil Service careers. The event not only provided invaluable guidance but also inspired attendees to strive towards their goals with determination and diligence. Such initiatives underscore the commitment of educational institutions towards fostering holistic development and empowering students to excel in their chosen paths.

6. Webinar on AI Tools for Research

On May 22, 2024, the Department of Computer Science, in collaboration with the CCEL Cell, Research Committee, and IQAC of KKTM Govt. College, Pullut, organized a webinar titled "AI Tools for Research" from 2:00 PM to 4:00 PM. This webinar aimed to explore the applications of artificial intelligence in research and academia, offering insights into the use of AI tools to enhance research methodologies and outcomes.

Dr. Seema Menon, Research Committee Coordinator and Assistant Professor of Zoology, commenced the webinar with a warm welcome, setting the tone for an insightful session ahead. Dr. Bindu Sharmila, Principal of KKTM Govt. College, inaugurated the webinar, emphasizing the importance of

leveraging AI tools in research endeavors to drive innovation and progress. Ms. Preetha K, Assistant Professor of Chemistry and IQAC member, extended felicitations, acknowledging the significance of integrating AI technologies into academic research for enhanced efficiency and productivity. Sri. Jasimudeen S, College Librarian at St. Joseph College, Uzhavoor, Kottayam, served as the resource person. He shared valuable insights into various AI tools available for research purposes, highlighting their functionalities, benefits, and practical applications.

Topics covered

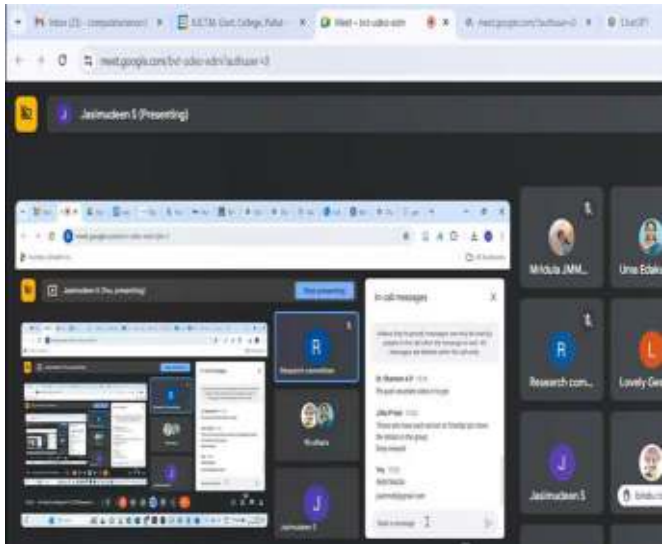

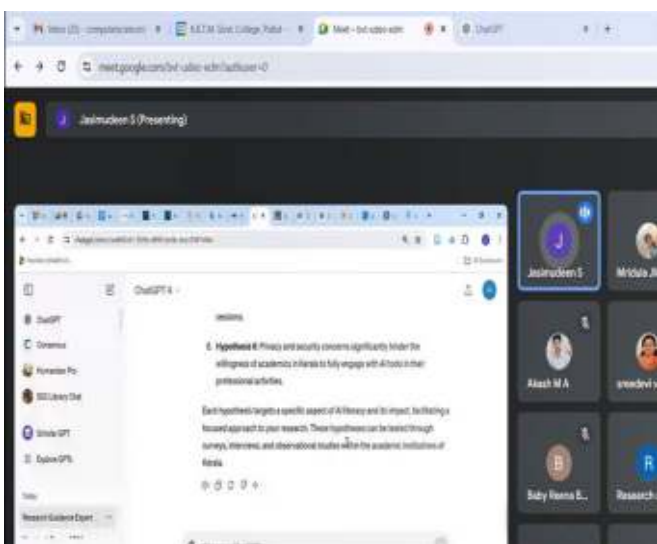

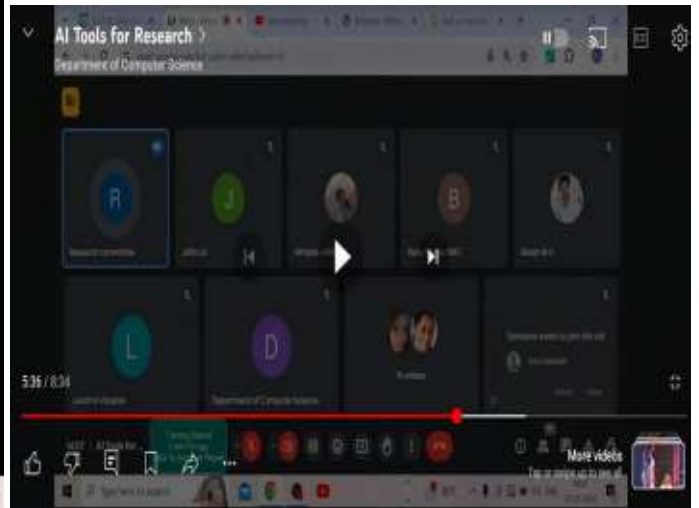

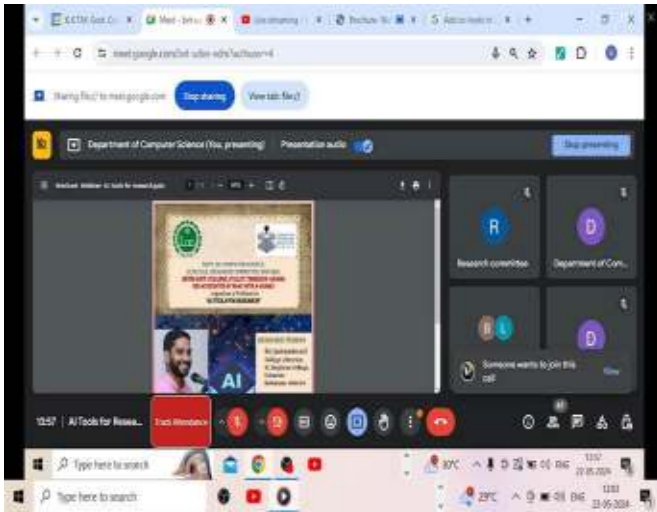

- Introduction to AI Tools for Research
- Use of AI in Data Analysis and Interpretation
- AI-powered Research Assistance Tools
- AI-based Literature Review and Citation Management Tools

A total of 132 registered students participated in the "AI Tools for Research" webinar, with 100 attendees joining via Google Meet and an additional 142 viewers tuning in through YouTube live streaming done by Binu Mol T.V . Assistant Professor of computer Science.

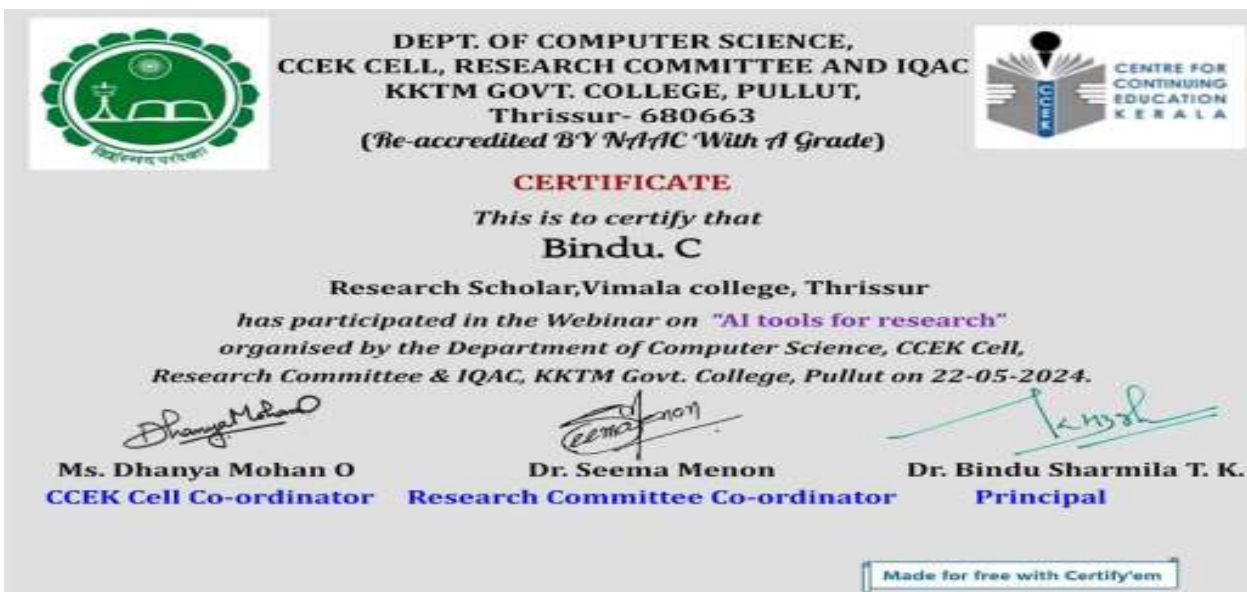

You Tube Link: <https://www.youtube.com/live/MY0PYID0Jss>

The webinar featured an interactive session where participants had the opportunity to engage with the speaker, ask questions, and share their experiences with AI tools in research. Ms. Dhanya Mohan O, Assistant Professor and Head of Computer Science, and CCEK Center Manager, delivered the vote of thanks, expressing gratitude to the speakers, organizers, and participants for their valuable contributions towards making the webinar a success. She reiterated the importance of continuous learning and exploration of emerging technologies like AI in advancing research and academic pursuits.

The webinar provided attendees with valuable insights into the use of AI tools for research purposes, equipping them with knowledge and resources to enhance their research methodologies and outcomes. With over 104 participants actively engaging in the session, the event demonstrated a strong interest and commitment among the academic community towards leveraging AI for research excellence. The webinar on AI Tools for Research organized by Dept.of Computer Science served as a platform for knowledge exchange and collaboration, fostering innovation and advancement in academic research.

Certificate

7. PDIEE Certificate Distribution

The certificate distribution ceremony for the Professional Diploma in Industrial Electrical Engineering (PDIE) took place on May 30, 2024, in the Principal's Chamber. The program marked the culmination of the academic journey for the students enrolled in the PDIE course, highlighting their achievements and successes.

A total of 11 students were initially admitted to the PDIE program, signifying a promising start to their educational pursuit in industrial electrical engineering. Out of the 11 students admitted, unfortunately, 2 students discontinued their studies, and 6 students opted to drop out of the program for various reasons. Despite these challenges, 3 diligent students persevered and attended the final examinations.

All 3 students who attended the examinations displayed commendable dedication and determination, resulting in successful completion of the PDIE course and passing the examinations with flying colors. Their achievements serve as a testament to their hard work and commitment to academic excellence. With grace and distinction, Dr. G Ushakumari, Vice-Principal, bestowed PDIEE Certificates upon deserving recipients, illuminating paths of excellence and accomplishment.

The ceremony focused on celebrating the accomplishments of the graduating students. Certificates recognizing their successful completion of the PDIE course were awarded to the deserving recipients amidst a backdrop of pride and encouragement. We extend our appreciation to the students for their unwavering dedication and resilience throughout their

academic journey. Special recognition is also extended to the faculty members and staff who supported and guided the students along the way, contributing to their success.

The certificate distribution ceremony for the PDIE course served as a poignant reminder of the transformative power of education and the remarkable achievements that can be attained through perseverance and hard work. As the students embark on new endeavors, may they carry the lessons learned and experiences gained during their time in the PDIE program with them, guiding them towards continued success in their future endeavors.
