

RESEARCH & INNOVATION

Research Areas

Theoretical and Experimental Physics, Astrophysics and Cosmology, Nanotechnology and Materials Science, Quantum Computing, Environmental Physics

STUDENT RESEARCH

Opportunities to work on real projects and present findings.

CAREER PROSPECTS

Diverse Paths:
Academia, R&D,
Engineering, Data Science,
Finance.

ALUMNI SUCCESS

K.K.T.M. GOVT.
COLLEGE

DEPARTMENT OF PHYSICS

Unlock the
Mysteries of
Physics

https://govtkktmcollege.ac.in/?page_id=136

ACADEMIC PROGRAMMES

- B.Sc. Honours in Applied Physics*
- B.Sc. Honours with Research in Applied Physics**

*Equivalent to B.Sc. Hons. in Physics

**Equivalent to B.Sc. Hons. with Research in Physics

**INTEGRITY
LEARNING IS THE
MAIN FOUNDATION.**

WHY CHOOSE US?

- Expert Faculty: Gain knowledge from distinguished educators.
- Modern Facilities: Access state-of-the-art labs and equipment.
- Research Opportunities: Participate in groundbreaking research projects.
- Innovative Curriculum: A blend of theoretical and practical learning.

SCHOLARSHIPS & FINANCIAL AID

- Merit-based scholarships for outstanding students.
- Need-based financial aid options.

"Welcome to the Department of Physics at KKTm Govt. College, Kodungallur, affiliated to the University of Calicut. Our department is dedicated to excellence in teaching, research, and inspiring the next generation of physicists."

JOIN US!

ADMISSIONS

FOUR YEAR UNDER GRADUATE PROGRAMME 2024 - 25

[HTTPS://UGCAP.UOC.AC.IN/](https://ugcap.uoc.ac.in/)

APPLY
NOW!
