Cyber Cell Report 2023-2024

1. Cyber Ambassador Training Program

Smt. Dhanya Mohan O, the Cyber Cell Coordinator, along with five diligent students from the Cyber Cell, participated in the Cyber Ambassadors Training Programme held at the SP Office, Thrissur Rural, Irinjalakuda on 05/10/2023. The training aimed to equip attendees with essential knowledge and skills in cybersecurity and digital risk management.

The programme featured esteemed resource persons, Sri. Nisheeth Dixit, Advocate (Cyber) from the Supreme Court of India, and Sri. Philip Varghese, an analytics and intelligence veteran with expertise in cyber security and risk management, as the head of digital transformation executive.

The session commenced with an insightful presentation by Sri. Nisheeth Dixit, who shared valuable insights into legal aspects and regulations governing cybersecurity. He emphasized the importance of compliance with cyber laws and highlighted recent developments in cyber jurisprudence.

Following that, Sri. Philip Varghese delved into the technical aspects of cybersecurity, providing a comprehensive overview of digital risk management strategies. He discussed emerging cyber threats, mitigation techniques, and the role of analytics and intelligence in safeguarding digital assets.

The training programme facilitated interactive sessions, allowing participants to engage with the resource persons and gain practical insights into cybersecurity practices. Through case studies and real-world examples, attendees were equipped with the necessary tools to identify, assess, and mitigate cyber risks effectively.

The Cyber Ambassadors Training Programme proved to be a fruitful endeavor, empowering participants with the knowledge and skills needed to navigate the complex landscape of cybersecurity confidently. The event served as a catalyst for further awareness and advocacy efforts in promoting cyber resilience within the community.

2. Cyber Hygiene and Security Class

Date: November 3, 2023

Time: 10:30 AM to 12:00 PM

Venue: College Auditorium

In observance of Vigilance Awareness Week and Cyber Jagarookta Awareness Month, a Cyber Hygiene and Security class was organized by the UGC Cell, Cyber Cell, and IQAC of KKTm Govt. College, Pullut. The event aimed to raise awareness about cybersecurity practices and promote vigilance in online activities.

The program commenced with a solemn prayer, invoking blessings for guidance and wisdom throughout the session. The program commenced with a warm welcome speech by Smt. Dhanya Mohan O, Centre Manager of the CCEK Cell. She expressed gratitude to all attendees and emphasized the importance of cyber hygiene in today's digital age.

Dr. Bindu Sharmila T K, Principal of KKTm Govt. College, inaugurated the session, highlighting the significance of maintaining cyber security in safeguarding personal and institutional data.

The main session was conducted by Sri. Vipin M S, Senior Civil Police Officer from the Cyber Crime Police Station, Thrissur - Rural. He delivered an insightful presentation on various aspects of cyber hygiene, including safe internet browsing, password management, and identifying online threats. His expertise shed light on practical steps individuals and organizations can take to protect themselves against cyber attacks.

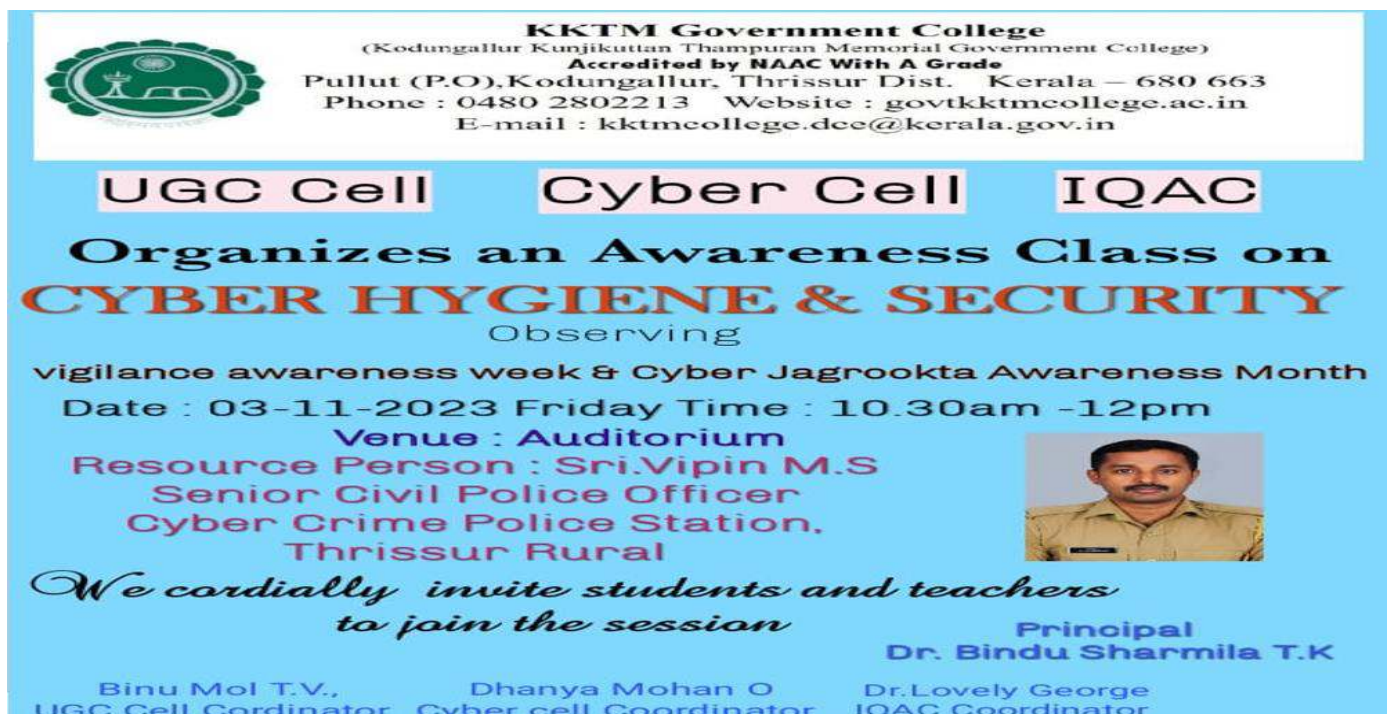

During the program, the resource person delivered an insightful talk covering topics such as hacking, phishing, malware, identity theft, cyberbullying/stalking, online fraud, data breaches, online child exploitation, and methods for strengthening cyber security. Additionally, the discussion encompassed initiatives like D4C (District Cyber Crime Coordination Center), aimed at providing a framework and eco-system for Law Enforcement Agencies (LEAs) to address cybercrime in a coordinated and comprehensive manner. The presentation also highlighted the National Cyber Crime Reporting Portal and Cyber Dome, along with practical tips on how individuals can secure themselves against various online threats.

Following the informative session, Dr. Lovely George, IQAC Coordinator, extended felicitations to the guest speaker and emphasized the role of education institutions in promoting cyber awareness among students and staff.

The program concluded with a vote of thanks delivered by Sri. Binoy Thomas, Assistant Professor and Head of the Botany Department, KKTm Govt. College. He expressed gratitude to all participants, organizers, and the resource person for their contributions towards making the event a success.

Overall, the Cyber Hygiene and Security class proved to be an enlightening session, providing valuable insights into the importance of cyber vigilance and fostering a safer online environment for all.
