From 7th to 10th March, the International Film Festival is taking place at Kodungallur at Sreekaleeshwari Cinemas. In collaboration with the Kodungallur Film Society, with their help, students pass was organized to participate in the film festival and through this it became possible for the students to enjoy a different kind of cinema.

Film Club encourages students to enjoy good movies and also to write film reviews about the best movies they have seen and publish them in magazines and various blogs.
