

NATURE CLUB REPORT

2023 -2024

CONVENOR: Smt. RAGA R, ASSISTANT PROFESSOR, DEPARTMENT OF BOTANY

MEMBERS:

1. Sri. PRASAD N K, ASSISTANT PROFESSOR, DEPARTMENT OF ZOOLOGY
2. Smt. PARVATHY H S, ASSISTANT PROFESSOR, DEPARTMENT OF BOTANY
3. Smt. RAMEENA K JAMAL, ASSISTANT PROFESSOR, DEPARTMENT OF BOTANY
4. Dr. SEEMA MENON, ASSISTANT PROFESSOR, DEPARTMENT OF ZOOLOGY
5. Dr. SHAJI E M, ASSOCIATE PROFESSOR, DEPARTMENT OF ZOOLOGY
6. Smt. SOUMYA K C, ASSISTANT PROFESSOR, DEPARTMENT OF ZOOLOGY
7. Sri. BENOY THOMAS M P, ASSISTANT PROFESSOR, DEPARTMENT OF BOTANY
8. Smt. SABITHA P V, ASSISTANT PROFESSOR, DEPARTMENT OF PHYSICS
9. Dr. BINOD BABU K B, ASSISTANT PROFESSOR, DEPARTMENT OF HINDI
10. Smt. MEGHA P M, ASSISTANT PROFESSOR, DEPARTMENT OF MATHEMATICS
11. Smt. LETHI N T, ASSISTANT PROFESSOR, DEPARTMENT OF PHYSICAL EDUCATION
12. Sri. THILAKAN M K, ASSISTANT PROFESSOR, DEPARTMENT OF CHEMISTRY
13. Dr. MUNEER S, ASSISTANT PROFESSOR, DEPARTMENT OF MALAYALAM

PROGRAMME 1:

NATURE CLUB INAUGURATION AND PLANTING A TREE CEREMONY

Nature club activities of the year 2023 -24 started with the official inauguration on 17/11/2023. Nature Club's inauguration ceremony was marked by a meaningful fruit tree planting ceremony in front of science block symbolizing the club's commitment to environmental conservation and

sustainability. The event commenced with an introduction outlining the club's objectives, emphasizing the importance of fostering a deeper connection with nature and promoting ecological awareness within the community. The fruit tree planting ceremony itself served as a tangible representation of the club's dedication to positive environmental impact. Club members (faculties and students) along with our respected principal, participated in the planting, highlighting the collaborative effort required for effective conservation. The chosen fruit tree (Jambosa) was selected for its ecological significance, contributing not only to the local biodiversity but also providing a source of fresh produce for the community in the future. This symbolic act, rooted in environmental responsibility, set the tone for the Nature Club's mission and underscored the importance of individual and collective action in preserving our natural resources.

PROGRAMME 2:

ONLINE PHOTOGRAPHY COMPETITION

An interdepartmental internet photography competition was arranged by the nature club for our college's student body. The categories were humans in nature, waterbodies, animals, and birds, with the theme being the campus landscape allowing participants to express their creativity across various aspects of nature. The leaflet itself contained a statement of the terms and conditions. The participants got ample time to curate and submit their best works. Thirty five

students from various departments participated in the competition. Jafsa from IDC Zoology bagged the first prize, Christin Raphel from I DC Botany bagged the second prize and Antonjo Rison Konkath from IDC Botany bagged the third prize. The winners were provided with exciting gifts.

NATURE CLUB AND IQAC
K.K.T.M. GOVT. COLLEGE, PULLUT
(Reaccredited with 'A' Grade by NAAC)
