The Alumni Committee of KKTM Government College, Kodungallur worked to maintain a strong relationship between the college and its alumni during the academic year 2024–25. The official Alumni Association could not conduct any activities during the year as the renewal of its registration is still pending. However, other alumni groups and individual alumni continued to support the college through various academic, cultural, and development activities.

**KKTM SEEDS**, a charitable society, instituted endowments for the University Rank Holders and students who secured First position in the final UG and PG examinations. The society also provided financial assistance for conducting Kunjikuttan Thampuran Anusmaranam, conducted in honour of Mahakavi Kunjikuttan Thampuran, after whom the college is named. In addition, KKTM SEEDS supported other academic and cultural programmes of the college.

The **KKTM Alumni UAE Chapter** extended generous financial support for several development activities. The chapter donated water purifiers for the college campus to provide safe drinking water for students and staff. It also donated an incinerator to the Women's Hostel, improving the hostel facilities and promoting better hygiene. The chapter further contributed financial assistance for various welfare and infrastructure development activities of the college.

A landmark event during the academic year was the conduct of the first Convocation Ceremony in the history of the college. The programme was organized with the generous financial support of several alumni and well-wishers, including the **Family of Late P. B. Saleem**, the **Family of Late Dr. Devakinandanan**, **Sri K. S. Sajeewan**, and **Dr. Sumathy Achuthan**. Their contributions made the event a memorable occasion for the graduating students.

The Alumni Committee sincerely thanks all alumni groups, chapters, and individual donors for their continued support and commitment to the development of the college. Their contributions towards academic excellence, student welfare, and infrastructure development

continue to strengthen the institution. The committee looks forward to the renewal of the official Alumni Association registration and to greater alumni participation in the coming years.
