

CCEK Report 2025-2026

The **CCEK Course Orientation Program** was successfully conducted on **17 October 2025** with the objective of familiarizing students with the course structure, learning outcomes, and career opportunities associated with the programme.

The program commenced with a **welcome speech by Smt. Dhanya Mohan O., Centre Manager, CCEK Cell**, who warmly welcomed the dignitaries, resource persons, and students. She highlighted the importance of skill-based education and the role of CCEK in empowering students through industry-relevant training.

The **presidential address was delivered by Dr. Shaji E. M., Principal-in-Charge**, who emphasized the significance of continuous learning, professional skills, and adaptability in today's competitive job market. He encouraged students to make the best use of the opportunities provided through the CCEK programmes.

The orientation session featured insightful talks by the **resource persons**:

- **Mr. Jowin K. J., NSDC Assessor – Computer Application**, explained the course structure and assessment methods, focusing on practical learning and industry standards.
- **Mr. Narayanan C. J., Programme Coordinator – PDITLM**, provided a detailed overview of the programme curriculum, learning outcomes, and progression pathways.
- **Mr. Rahul Binoy, NSDC Assessor – SEO and Digital Marketing**, discussed emerging career opportunities in digital marketing and the relevance of SEO skills in the current digital economy.
- **Mr. Nizzar Kareem, Senior Lecturer in Fitness Training**, shared insights on skill development, professional discipline, and career prospects in the fitness and wellness industry.

The key topics discussed during the program included an **overview of the course structure, expected learning outcomes**, and **various career opportunities** available after course completion. The session was interactive and informative, helping students gain clarity about the programme and its benefits.

The program concluded with a **vote of thanks by Snehith, Chairman**, who expressed gratitude to the dignitaries, resource persons, organizers, and students for their active participation and support in making the program a success.

Overall, the **CCEK Course Orientation Program** was informative and motivating, providing students with a clear understanding of the course and future career pathways.

DCA Inauguration and Orientation Programme

The DCA (Diploma in Computer Applications) Inauguration and Orientation Programme was successfully conducted on 6 December 2025 at 10:30 a.m. in the Audio Visual Room of KKTM Government College, Pullut. The programme was jointly organized by the Department of Computer Science and the CCEK Cell to introduce students to the course, its objectives, and future career opportunities.

The programme commenced with a welcome speech by Smt. Dhanya Mohan O., Centre Manager, CCEK Cell, KKTM Government College, Pullut. She warmly welcomed the dignitaries, resource persons, and students, and highlighted the significance of the DCA programme in enhancing students' digital skills and employability.

The programme was formally inaugurated by Dr. Bindu Sharmila T. K., Principal of KKTM Government College, Pullut. In her inaugural address, she emphasized the growing importance of computer education in today's technology-driven world and encouraged the students to make effective use of the opportunities provided through the course.

The orientation session was led by Mr. Sreenath, CCEK Faculty, and Mr. Jowin K. J., NSDC Assessor. They provided a comprehensive overview of the DCA programme, including its curriculum, training methodology, assessment process, certification, and career prospects. The speakers also motivated the students to actively participate in the course and develop the technical skills required for future professional success.

The session was highly interactive, with students actively engaging in discussions and clarifying their queries regarding the course. The programme concluded successfully, marking the beginning of a productive learning journey for the DCA students.

The inauguration and orientation programme served as an excellent platform to familiarize students with the course objectives and inspire them to pursue skill development with dedication and enthusiasm.

The banner features logos for the Government of Kerala, NSDC (National Skill Development Corporation), and the Centre for Continuing Education, Kerala. The text on the banner includes the college name, registration number, course name, and the names of the principal and centre manager.

CCEK and NSDC Certificate Distribution

NSDC Certificate Distribution

The Certificate Distribution Programme for successful candidates of various skill development courses conducted under the Centre for Continuing Education Kerala (CCEK) and the National Skill Development Corporation (NSDC) was organized at KKTm Government College, Pullut.

During the programme, a total of 75 CCEK Certificates and Mark Sheets were distributed to students who successfully completed various CCEK courses. The distribution included 5 certificates for the Professional Diploma in Fiber Optics and Digital Security System (PDFDS), 18 certificates for the Diploma in Computer Applications (DCA), 34 certificates for the Professional Diploma in Shipping and Logistics (PDSL), 5 certificates for the Professional Diploma in Fitness Training (PDFT), 4 certificates for the Advanced Diploma in Logistics and Supply Chain Management (ADLSCM), 5 certificates for the Professional Diploma in Electrical and Electronics Engineering (PDIEE), and 4 certificates for the Professional Diploma in Airport and Hospitality Management System (PDAHT).

In addition, a total of 28 NSDC certificates were distributed to candidates who successfully completed the NSDC assessment process. The recipients included 10 candidates from the Professional Diploma in Shipping and Logistics (PDSL), 1 candidate from the Advanced Diploma in Logistics and Supply Chain Management (ADLSCM), 5 candidates from the Professional Diploma in Fiber Optics and Digital Security System (PDFDS), 4 candidates from the Professional Diploma in Airport and Hospitality Management System (PDAHT), 3 candidates from the Professional Diploma in Fitness Training (PDFT), and 5 candidates from the Professional Diploma in Electrical and Electronics Engineering (PDIEE).

The programme highlighted the importance of skill-based education and industry-oriented training in enhancing employability and career opportunities. The distribution of certificates served as a recognition of the hard work, dedication, and successful completion of the courses by the students. The recipients expressed their gratitude to CCEK, NSDC, and KKTM Government College, Pullut, for providing quality training and valuable certification opportunities.

The programme concluded with congratulations to all successful candidates and encouragement to continue pursuing professional excellence through lifelong learning and skill development. The event was a significant milestone in promoting vocational education and empowering learners with industry-relevant competencies.
