

Annual Report of Civil Service Club

The Civil Service Club in KKTU Government College, Pullut, aims to mold young aspirants to join India's royal civil service arena. The club also provides opportunities for the students to interact with those preparing for civil service exams at various centers in Kerala. This helps the students to increase their confidence to face the exams. These activities create among the students a mind of sharing, coordination, leadership, self-respect, social commitment, and positive thinking.
