ACADEMIC ACTIVITIES

1. Awareness Programme on the Future Prospects of Medical Coding & Billing, Hospital Administration, Medical Transcription, and Medical Scribing

The Department of Zoology, Research Committee, and IQAC of KKTm Government College, Pullut, in association with Anton's Medicode, Angamaly, successfully organized an Awareness Programme on the Future Prospects of Medical Coding & Billing, Hospital Administration, Medical Transcription, and Medical Scribing on 24th January 2025.

The programme commenced at 2:00 PM with the Inaugural Session. The event began with a warm and cordial Welcome Address delivered by Dr. Seema Menon, Assistant Professor of Zoology and the Programme Coordinator. She welcomed the dignitaries, resource person, faculty members, and students, and set the tone for the event.

The Presidential Address was delivered by Prof. (Dr.) Shaji E.M., Head of the Department of Zoology, who highlighted the importance of exploring career opportunities in the healthcare sector beyond conventional roles. He also emphasized the relevance of interdisciplinary knowledge in today's competitive world.

The programme was officially inaugurated by Prof. (Dr.) Bindu Sharmila T.K., Principal of KKTm Government College. In her inaugural address, she commended the efforts of the organizing team and highlighted the growing demand for skilled professionals in healthcare services like medical coding, transcription, and billing.

The Vote of Thanks for the Inaugural Session was proposed by Dr. Nija S., Assistant Professor of History and Member of the Research Committee. She expressed gratitude to all the dignitaries, the resource person, and participants for their contributions and presence.

The Invited Talk began at 2:15 PM and was delivered by Ms. Neethu Varghese, MD of Anton's Medicode and a certified professional in medical coding and billing. She presented an insightful session on the topic, "Future Prospects of Medical Coding & Billing, Hospital Administration, Medical Transcription, and Medical Scribing." During her talk, Ms. Neethu elaborated on the career opportunities, skill requirements, and growing demand for professionals in these fields. The session

was highly interactive, and students actively participated, raising questions and clarifying their doubts.

The programme concluded successfully at 3:30 PM, leaving the participants with a clearer understanding of the diverse career options available in the healthcare sector.

The event was well-organized and witnessed active participation from students and faculty members. The Department of Zoology, Research Committee, and IQAC expressed their gratitude to Anton's Medicode for their valuable collaboration and the resource person for her enlightening talk.

2. Film culture Study Workshop- “ദൃശ്യപഠനങ്ങൾക്കൊരു പ്രവേശിക: സങ്കല്പനങ്ങൾ, സമീപനങ്ങൾ” (An Introduction to Visual Studies: Concepts and Approaches)

The inauguration of the 2024–25 PQE classes was held on Thursday, 20 March 2025, at 10:30 a.m. in the Audio Vision Hall. Jointly organized by the Research Committee, Research and PG Department of Malayalam and IQAC, a preliminary programme in the form of a Film Culture Study Workshop titled “ദൃശ്യപഠനങ്ങൾക്കൊരു പ്രവേശിക: സങ്കല്പനങ്ങൾ, സമീപനങ്ങൾ- An Introduction to Visual Studies: Concepts and Approaches” was conducted.

Research Committee Coordinator Dr. Seema Menon delivered the welcome address. The honourable Principal, Dr. Bindu Sharmila T K, presided over the function and formally inaugurated it. Vice Principal Dr. G. Ushakumari and Head of the Malayalam Department Dr. Muhammad Basheer K. K. also participated in the event.

Sri. Viju V. V., who completed his research in Film Studies at IIT Madras, led the day’s session. The class began by raising the research question regarding the place of Malayalam cinema within the broader field of Indian cinema. The discussion clearly explained how Malayalam cinema has grown to reach the pan-Indian circuit. An analysis of Richard Dyer’s essay “Introduction to Film Studies” and an exposition of various theories to be used in film studies, with examples, were the key highlights of the class.

The presentations by the researchers and the discussion that followed made the session highly productive.
