Snehasparsham Report

For the year 2024–25, the Snehasparsham fund began with an opening balance of Rs. 3,981. With a generous contribution of Rs. 46,400 from our staff, the total fund stood at Rs. 50,381.

A total expenditure of Rs. 12,500 was recorded for the following purposes:

- Rs. 1,000 was allocated to Mr. Asokan S for support with his throat surgery.
- Rs. 1,500 was donated to Navajyothi Charitable Society to support their free eye checkup camp.
- Rs. 10000 was handed over to Suvin, a first-year degree student of the History Department, who is from a financially disadvantaged background and is currently undergoing treatment for pneumonia and a congenital heart condition. The support was extended to help cover the cost of his medication and ongoing treatment.

After accounting for these expenses, and including accumulated interest, the closing balance stood at Rs. 38,198.

Through the collective efforts of the Pain and Palliative Committee and Snehasparsham, our institution reaffirms its enduring commitment to empathy-driven service and looks forward to continuing its role in building a more caring and inclusive community.
