

WORLD ENVIRONMENT DAY CELEBRATION 2026

KKTM Government College, Pullut

The World Environment Day Celebration 2026 was organized by the Campus Cleaning and Beautification Committee with the support of the CCEK Cell, KKTM Government College, Pullut, on 5 June 2026 at 10.00 a.m. on the college campus. The programme was conducted with the objective of promoting environmental awareness and enhancing the greenery of the campus through a large-scale planting initiative.

The programme was inaugurated by Prof. Dr. Ramya R., Principal, KKTM Government College, Pullut, by planting a Bougainvillea sapling in front of the college office.

As part of the campus beautification programme, a total of 54 flowering plants were planted at various locations on the campus, particularly in front of the college office and along the side of the pond. The plants included 14 Chethi saplings (Jungle Geranium), 14 Lugenia saplings, and 26 Bougainvillea saplings. The initiative aimed to improve the aesthetic appeal of the campus while fostering environmental responsibility among students and staff.

The planting activity witnessed the active participation of the Vice Principal and members of the CCEK Cell. Faculty members who took part in the programme included Dr. Raghu O. (Vice Principal and Senior Member of CCEK Cell), Sri. Murali T. K. (Assistant Professor of Mathematics and CCEK Treasurer), Smt. Dhanya Mohan O. (Assistant Professor of Computer Science and Centre Manager, CCEK Cell), Dr. Resmi T. (Associate Professor of Mathematics), Dr. Dhanya S. R. (Assistant Professor of Chemistry), and Smt. Raga R. (Assistant Professor of Botany).

Together, they planted the saplings and conveyed the message of environmental stewardship to the college community. The tree-planting initiative not only beautified the campus but also served as a meaningful step towards creating a greener and healthier environment for future generations.

BROCHURE AND PHOTOGRAPHS

The brochure is a vibrant green-themed poster for World Environment Day 2026. It features a background image of KKTm Government College, Pullut, with a large globe held by two hands in the foreground. The text is arranged in a clear, hierarchical manner, with logos at the top and event details at the bottom. The design includes decorative elements like leaves and flowers to enhance the environmental theme.
